

Retires as Public School Inspector for Haldimand

MASSES EASILY ACCEPT LIES
(Adolf Hitler in Mein Kampf, as quoted by an Exchange)

At the bottom of their hearts the great masses of the people are more consciously and deliberately lied to than they are by a small band of the primitive simplicity of their minds they are more easily victimized by a large than by a small band since they sometimes tell petty lies themselves but would be ashamed to tell big ones.

Mr. J. L. Mitchener, Inspector of Public Schools in Haldimand County for the past twenty-four years, has been granted his request from the Minister of Education to retire from his duties on September 15, 1942.

Mr. Mitchener received his appointment here on January 1st, 1918, and during the term of years which he has filled the position, his work was marked by a keen sense of the duties of his position and the school advanced under his supervision.

Mr. Arthur Archibald, Principal of the Whitby High School, and formerly of Cayuga, has been appointed his successor. Mr. Archibald is a brother of Fred R. Archibald, who was principal of the Jarvis Continuation School for a number of years back around 1925, and who is now a chemist with the Mines and Resources Department of the United States Government at Boston, Mass.

Sunday July 27th is Organ Sunday. The "Sacrament of the Lord's Supper" will be dispensed. The minister's message will be on the theme of "Imitate Holy Love."

The Cemetery Decoration Day and Commemorative Service brought out a large congregation from far and near some came from Welland, Hamilton, Toronto, St. Thomas, Waterloo, Stone Creek, Dundas, Brantford and elsewhere bearing flowers and the "words of God's Atonement" behind Wagon.

Rev. Earl Lautensager, took as his text the words of Cain "Am I my Brother's Keeper?" and God's affirmative reply. He pointed to the character of the acknowledgment of our forebears in this responsibility. It led to mutual cooperation and the sharing of the responsibilities of a neighbor's family—and promoted a fine social life that has been nowhere exceeded in beauty.

We were now practicing the same when we arm ourselves and go forth to help those who have been overwhelmed by the oppressor. It was our fathers who must acknowledge this responsibility both now and when the war is ended. It was a very powerful appeal.

THREE MISKATEERS AT VALCARTIER
A letter from Roy Hazlett on Monday, reveals that the three miskeeters, namely Roy and Ralph Hazlett and Tommy Harris, are now at Camp Valcartier in the Province of Quebec. While it would hardly be fair to associate Tommy and Ralph with the miskeeters, Roy has asked for his name on his French. He says that as Quebec that can speak or understand English. Dear readers this is a terrible predicament for Roy, as anyone who reads this is a French Dictionary so he can forward it to his address at Valcartier. (Address available at the Record Office).

ANNOUNCEMENT

By an Order-in-Council issued last January the Federal Government established a Supplementary Grants Fund to be administered by the Department of National Defence who in turn created the Dependents' Board of Trustees for this purpose.

The Fund is intended to assist the dependents of men serving in our Active Forces in meeting emergencies such as illness, death, calamities or other unusual expenses, all or any of which would create a hardship as well as to assist families consisting of more than four children, the number for which the dependents' allowance is presently granted, and is, therefore, functioning quite apart from the Dependents' Allowance Board or Regulations.

All dependent families of men serving with the rank of warrant officer or below are eligible to apply for assistance under these circumstances.

A number of Regional Committees have been established across Canada in order to best serve the dependents, and a Committee with headquarters in Hamilton embraces the territory from the St. Lawrence Valley of Welland, Lincoln, Haldimand, Norfolk, Wentworth, Brant, Waterloo, Wellington, Halton, Peel, Dufferin and Grey.

The Canadian Government is distressed and anxious that the dependents of members of the Armed Forces be made fully aware of the existence of this Fund, in order that their difficulties might be alleviated. The Hamilton Regional Committee would greatly appreciate any branch of the Canadian Legion, Women's Auxiliaries of Active Service Units, Auxiliary War Services Committees or any existing organizations who are dealing with soldiers' dependents would report cases of need directly to the Secretary at 31 Walnut Street South, Hamilton.

An application form is required to be forwarded to the Regional Committee, and the circumstances would seem to warrant it an investigation in standard form is made by an existing welfare agency under an agreement with the Regional Committee, upon completion of which the Committee makes its decision.

Where an emergency arises requiring a speedy decision, the Committee would be pleased to be contacted by telephone or telegraph, calling Hamilton 2-2525.

CANADA PASSED BY THE PRESS CENSORS

That rubber stamp means we can say Canada's cotton textile industry is 11 times ahead of its war production records of 1914-18.

The industry is delivering about 215,000,000 yards a year of aircraft fabric, ammunition pouches, anti-gas cloth, camouflage netting, gun covers, parachute webbing, powder bags, uniform cloth, web equipment and other essential materials.

Dominion Textile is proud to have a part in this. We also wish to report that our plant employees are earning 28% more per hour than in 1939, and we pay 5.4 times more in taxes than the total paid in dividends to our several thousand shareholders.
