Let's Face
The Facts!

FOR these reasons the supply of Duro Pumping Systems will be considerably reduced this year. We will supply our dealers with as many new Pumps as materials and manufacturing facilities will permit.

The Duro Special shown below pumps 250 gals. per hour and has 25 gal. galvanized tank. EMCO Quality Bathroom Fixtures and Fittings are still available in a good range of styles and prices.

The SNAPSHOT GUILD
TAKE CARE OF YOUR CAMERA

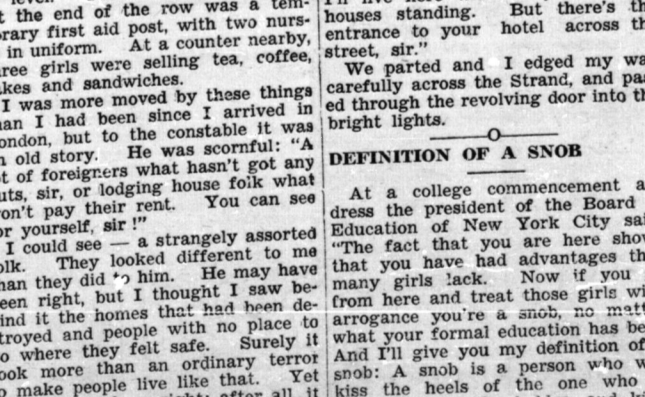

Don't take the chance of missing fine snapshots like this because of a camera in need of repair. Have your camera put in good shape now, and make it a practice to keep it that way.

KEEPING his camera in good condition is always one of the prime jobs facing every photographer. But it's doubly important now. For just as there is a scarcity of so many other new goods, there is a scarcity in some types of new cameras.
