NOTICE!

I wish to announce to all my customers and friends, that I have taken over the "Meat and Vegetable Business" of Thomas Harris, who is now serving in the "Canadian Army." I trust that I may have the same co-operation and goodwill with which he has served the public during his many years in business in Jarvis and Vicinity.

Yours sincerely,

John Deller

F. Hanna, officer commanding the station, congratulated the Norwegians.

A large number of Canadians most of them from Ontario, also got the wing of gunners. Observers, who usually graduate with gunners at Jarvis, will now get wings at an other station where they take navigational training.

The Norwegians, all but one a blond, formed perhaps the most adventurous group of young men ever to get wings at Jarvis. They escaped from Norway in fishing boats, on skis and on foot, crossing the borders of Finland, Sweden and the North Sea.
