Vows Taken In Double Ceremony

Grace United Church, Hamilton, was the scene of a double wedding of wide interest locally on Saturday afternoon at 5:30 o'clock. The principals were the bride, Miss Artye Leathem, of Hamilton, and the groom, Mr. Stanley Douglas, of Jarvis.

The bride and groom were accompanied by Mr. and Mrs. John Mitchell, of Hamilton, and Mr. and Mrs. Frank Bertling, of Delhi. Miss Topp and the late Mr. Topp of Jarvis and Miss Myrtle Marjorie of Jarvis.

Immediate friends and relatives of the two couples witnessed the ceremony, which was conducted by Canon, who has been Rector of Grace United Church since the structure was erected nearly twenty years ago. Among those attending were members of the Church, family members of the bride and groom, and the bride's attendants.

Following the ceremony a reception was held at 236 Robinson Street, with more than thirty friends present. Among those attending from Jarvis were: Mr. and Mrs. Guy Leathem and daughter Lois; Mr. and Mrs. W. E. Elliott.

The home of Mr. and Mrs. Wm. McMurphy, R.R. 4, was the scene of a pretty wedding on Saturday, May 23rd, at 3 o'clock when their niece, Pearl Irene McMurphy, daughter of Mr. John McBride and the late Mrs. McBride of Walpole, became the bride of Earl J. W. Fulson, son of Mr. and Mrs. Gordon, of Hagersville, the officiating minister.

Baskets of roses, tulips, and iris with ferns, formed the background for the wedding.

The bride entered the living room on the arm of her father, and her place beneath an arch of roses, evergreen and spruce. She was comelyly gowned in a dress of dress of sun-bleached blue crepe with silver accessories. Her head-dress was a handsome arrangement of sweetheart roses and maiden hair of the groom, was bride-maid, and was gowned in dusty rose sheer, corsage of roses with silver accessories.

The groom was attended by Mr. Kenneth McBride, brother of the bride. Little Donna McBride, cousin of the bride, in a pale pink dress, acted as flower girl. She carried a nosegay of assorted roses.

The reception was held in the dining room with about twenty-five guests present. The bride's table was beautiful with the wedding cake in place of honour. Her novel decorations in pastel shades, being set of streamers held in the centre of the room by a white wedding ball.

The bride and groom later in the day on a motor trip to Hamilton. The former travelling in a blue frock coat and white hat, with matching tweed coat. On their return, they will reside near Fisherville.

"Hitler's not going to teach my children!"

"I've read how Hitler starts training his killers when they're toddlers. So I reckon it's up to me and every other Canadian mother to train our children to realize that they've got to pay for their freedom!"

"That's why I see it that all my children buy War Savings Stamps every week. I tell them what freedom means—that the grown-ups are fighting for—that it's for them! So they've got to give up something too—and the money—\$5.00 back for every \$4.00 saved now—will come in mighty handy—when they start out on their own!"

ARE YOU?
Are you an active member?
The kind that would be missed?
Or are you just contented,
That your name is on the list?
Or do you attend the meetings,
And mingle with the crowds?
Or do you mostly stay away,
And crab both long and loud?
Do you take an active part to help your paper along?
Or are you satisfied to be
The kind that "Just Belong?"
There's quite a program scheduled,
That means success, if done.
It can be accomplished, if done.
With the help of every one.
So be regular at meetings.
Don't be just another member.
But take an active part.
Now think this over, fellows,
Are you a real live member,
Or do you "Just Belong?"

TEA AND COFFEE ARE RATIONED

Now 1/2 lb. PER WEEK PER PERSON

Since sugar rationing was first introduced, the shipping situation has become more serious. The danger to ships and lives has increased. Consequently it has now become necessary to reduce the sugar ration from 3/4 lb. to 1/2 lb. per week per person. Only persons in areas remote from source of supply are permitted to have more than two weeks' supply on hand at any time.

SUGAR FOR PRESERVING
Special provision is made for additional quantities of sugar for home preserving and canning.

In addition to your ration, you may purchase 1/2 lb. of sugar for every pound of fruit that you preserve or can, and 3/4 lb. of sugar for every pound of fruit made into jam or jelly.

Every person who buys sugar for canning or preserving is required to keep an accurate record of the sugar purchased for this purpose. If any sugar remains after canning and preserving, it shall form part of the regular ration of 1/2 lb. per person per week.

Loyal Canadians will be glad of this new opportunity to do their part to ensure Victory.

Ships and lives must be conserved

To bring tea from Ceylon and India, to bring coffee from South America, ships must cross oceans infested with submarines. Today those ships and their naval escorts are required for more essential services. Every ship, every foot of cargo space, is needed to carry war materials, and to bring essential goods to Canada.

So Canadians must now reduce their consumption of tea and coffee. You must reduce your normal consumption of tea by at least a half. You must reduce your normal consumption of coffee by at least one fourth. These reductions are absolutely necessary.

THIS IS THE LAW
You must not buy more than 2 weeks' supply of tea or coffee for yourself and household in any case.

YOU MUST NOT MAKE FURTHER PURCHASES OF TEA OR COFFEE AT ANY TIME WHEN YOU HAVE TWO WEEKS' SUPPLY ON HAND AT THE REDUCED RATION. (Exception: those in areas remote from supply)

Retailers have the right to limit or refuse customers' orders if they suspect the law is not being kept. Retailers must not have on hand more than one month's supply of tea and coffee, whether packaged or bulk.

There are heavy penalties for violation of this law.
