IS CANADA'S FIGHT YOU ARE CANADA ENLIST NOW!!

Runaway Team Disturbs Main Street Calm Three Cars Damaged Though No One Injured The usual tranquility of Main St. was slightly disturbed on Tuesday afternoon, when a runaway team went the length of Main Street at a speed frowned upon by the Traffic officers. The wagon careening from side to side got in a few jobs at automobiles diagonally parked, before the tongue broke and the horses did another mile without any hindrance behind them. They finally were brought to a stop at Edward Hyde's home, a mile south of the Village. The team belonging to Carl Smith was being driven by Frank Norman. He stated the whiffetree dropped on the wagon and the men and women who were on the wagon, and he was thrown out. Fortunately, he was unhurt. Three cars belonging to W. Duffin, of Hamilton, H. Brady, Jarvis and an unnamed driver, were damaged. The Duffin car travelling down Main Street at the time had a fender damaged and one of the tires badly cut. The car owned by the airman lost a rear fender and all light, while the Brady car stood up fairly well without serious damage. The wagon can be repaired. Traffic Officer Lyburner investigated.

Arthur Winger Winner of Senn Trophy In Judging Competitions M. PORTER FINALLY RECEIVES PARCELS Many Local Boys Share in Prize Awards Arthur Winger, Hagersville, a past resident of the Haldimand Junior Farmers' Association, captured the Senn Trophy, which is the prize awarded in the list of prizes offered at the Annual Junior Farmers' Judging Competition held at Hagersville on Saturday last. This cup is emblematic of being named the best all-round judge of the competition and goes to the competitor with the highest aggregate score. The Jacques trophy awarded for the best written report was won by Harold Bradford, Bradford. Other trophy winners were: Hamilton Dairies Co. (Dairy Cattle) Allen Aweke, Nanticoke; Bush of Commerce Cup (Horse) Robert Bowman, Hagersville; Kohler Cup (Boat) Murray Coverdale, New Toronto; Imperial Bank Cup (Sheep) Murray Coverdale, Canfield; Foxley Curran Cup (Swine) Chas. Foxley, Canfield; Ayrshire Cup (Ayrshire) Glen Winger, Hagersville; C.N.E. Shield (Novice Class) Wesley Bowman, Hagersville. The competition was largely attended and excellent work was done by all the producers of bicycles. Indicating therefore that the authorities anticipate the necessity of continued rationing of gasoline and rubber. White it is gratifying to know our side is in a position to give the enemy a taste of the devastation that thousands of defenceless Brits have tolerated for months on end, we doubt if it is logical to assume a few attacks such as the R.A.F. launched on Saturday night will bring the war to a termination as quickly as hoped for by the ultra-optimists. GET OUT THE SWATTER Our authority (?) has estimated that a pair of flies beginning operations in April may be sufficient, if all were to live, to progeniate to cover the earth 47 deep by August. Probably it is just as well we never take time to contemplate the possibility of such things, but at the same time it is doubtful if any man would wish to live in a world where the air is so thick with swatters as to be a nuisance. We are not going to get steamed up about the possibility of flies getting up 47 feet deep over the entire surface of the earth. But we should be mindful of the fact that their chief importance is in the carrying of disease. We should endeavor to dispose of garbage to eliminate their favorite eating haunts. As no swatter, and someone within the home who enjoys using it, against a common enemy, which is more destructive than we ever stop to realize

THE JARVIS RECORD "Let Us Have Faith That Right Makes Might And In That Faith Let Us Dare To Do Our Duty As We Understand It" JARVIS, ONTARIO, THURSDAY, JUNE 4, 1942 \$1.50 PER YEAR, \$2.00 IN THE UNITED STATES. SINGLE COPIES FIVE CENTS EACH.

Good Response to Scrap Appeal Committee Hope To Raise Nearly \$400. for Red Cross T. HARRIS BUSINESS AND BUILDING SOLD Mr. D. J. Deller has purchased the T. Harris Building and the Butcher Business formerly operated by Thomas Harris and assumed control this week. Mr. Deller has been associated with the Grocery Business in Jarvis since 1914, except for the period while he served with the forces during the Great War. In 1933 he purchased the business of Mr. S. H. Leatherdale, and shortly thereafter, since that time he has occupied the front part of the T. Harris building. Mr. Deller plans to make a few minor changes in the arrangement of his stock and the additional room now provided will facilitate display of his goods and more convenience to shoppers. TO OBSERVE 116th ANNIVERSARY Anniversary Services of the Chapel side Baptist Church will be held next Sunday June 7th. Services at 11 a.m. and 7:30 p.m. Rev. J. V. Fradenburg, a former pastor and well known in this district will be the Anniversary preacher. Special music for the occasion. Everyone is cordially invited to attend both services.

Local Milk Price Is Still Under Pressure Local Milk Price Is Still Under Pressure. The Ontario Milk Producers' Association has announced that the price of milk will remain under pressure. The association has stated that the price of milk will remain under pressure. The association has stated that the price of milk will remain under pressure.

Reduction in Use of Hydro Soon? It has been authoritatively known that the Ontario Hydro Commission are taking a survey throughout the Province to determine the amount of Hydro that can be saved by a fifty percent reduction in street lighting, and store front and window display lighting. The survey is looked upon as a forerunner for an order which will be made effective in the not too distant future which will bring this loss to effect. Very likely therefore this municipality like others throughout the Province, will find it necessary to get around in the evening with half the present number of street lights, and we will also see the discontinuance of street signs, as well as a curtailment of the power of bulbs in store windows.

Attorney-General Plans Conference Plans Discussion of Operating Table Dealt With Hon. H. J. Kirby Toronto - Attorney-General Gordon Conant - said today in an interview with the press that he is conferring with Hon. H. J. Kirby, minister of health, on the coroner's jury verdict in Hamilton last week, which held that "persons liable for death" in two hospitals "were related to the anaesthetist's failure to recognize the danger symptoms in time to take necessary measures to prevent death." The finding is one upon which his department cannot act, but the department of health, he said, "may consider some means to guard against such accidents in hospitals by control of anaesthetics and anaesthetists."

BIRTHS MORE - At the Leatherdale Nursing Home, in the Village of Jarvis, on Thursday, May 28th, 1942, Mr. and Mrs. R. J. More (nee Marie Swain) of Jarvis, a son, Russell Roy (Baby).

THIS IS A BATTLE FOR YOUR HOMES AND RIGHTS ENLIST NOW!!

On the Farm Front BRIEF NOTES FOR THE BUSY FARMER - By Haldimand Harry - Twenty million dollars is a lot of money! It would make a fair sized war loan in itself but in this case, it is not a loan or a gift. It is the loss sustained by the farmers of Ontario last year through weeds. The weed menace might very well be called the fifth column of agricultural war production. Haldimand farmers have had to bear their share of this loss and what is needed is the organizing of a sixth column within our ranks to meet and effectively destroy these quailings of crop production. Time and effort spent in the control of weeds will provide dividends in the form of increased crops that will more than offset any labour outlay. You must be vigilant in our war against weeds and ever on the watch for new ones coming along.

Local Milk Price Is Still Under Pressure. The Ontario Milk Producers' Association has announced that the price of milk will remain under pressure. The association has stated that the price of milk will remain under pressure. The association has stated that the price of milk will remain under pressure.
