OLD RATION BOOKS WORTHLESS AFTER MARCH 31st. Citizens who have been wondering what to do with their old ration books can now ease their minds.

HOW TO FILL OUT YOUR APPLICATION FOR CANNING SUGAR

This year housewives must estimate in advance the amount of sugar required for canning and jam-making, so that arrangements may be made to provide and distribute the necessary supplies.

CANNING. Allow 1/2 lb. of sugar for each quart of jam or jelly. Estimate the TOTAL number of quart sealers you plan to put up.

IMPORTANT NOTE. The Dominion Department of Agriculture recommends canning fruit in preference to making jam or jelly because more fruit can be put up with less sugar and at less cost.

COMPLETE AND SEND IN YOUR APPLICATION BEFORE APRIL 15. The application form is shown in the illustration and must be filled out by the applicant.
