Out of the FRYING PAN and into the FIRING LINE

Save ALL WASTE fats & bones

Canada needs and must have every spoonful of fat dripping, every piece of scrap fat and every bone from every kitchen in Canada. Fat makes glycerine and glycerine makes high explosives. Bones produce fat. Also glue for war industry.

Don't throw away a single drop of used fat—bacon grease, meat drippings, frying fat—every kind you use. They are urgently needed to win this war.

Strain all drippings through an ordinary strainer into a clean wide-mouthed can. Save your scrap fat (cooked or uncooked) and all types of bones—cooked, uncooked or dry.

When you have collected a pound or more of fat dripping, take it to your meat dealer who will pay you the established price for the dripping and the scrap fat. Or you can dispose of them through any Municipal or Salvage Committee collection system IN EFFECT in your community.

Be a munitions maker right in your own kitchen. For instance, there is enough explosive power hidden in ten pounds of fat to fire 10 self-destruct shells. So—every day, in this way, keep working for Victory for the duration of the war.

ON THE FARM FRONT

(continued from page one) 7 at 200 to 30 lbs per acre in the case of alfalfa and 4-12-6 at the same rate per acre for mixtures, timothy or grasses.

Rotating a pasture is also good sound practice. Waste through tramping can be greatly reduced and the yield per acre is materially increased. The time of usefulness of the pasture is also considerably extended. Rotating can be very easily accomplished through the use of the cash. This is a practice that should be more extensively followed. It will pay big dividends for any little trouble there may be.

Our whole aim should be to get the greatest amount of production with the least cost. There are other factors that must be kept in mind, any of which would retard production. These will be dealt with at a later date.

AT THE UNITED CHURCH

Palm Sunday will be celebrated in Wesley. At the morning service minister on "The Triumphal Entry" and at the 7:30 service, a period will be given to singing a hymn, followed by an address on "What if Jerusalem Had Made Jesus Dictator?"

Friday, April 16th, under the auspices of the Women's Association will be held at 6:30 P.M. a dinner will be served at six o'clock.
