mong its members, reduced its thinking to the following words,
"It takes more than taxes to conquer the Axis."

It is interesting to observe how plain ordinary words are often grouped to drive home simply a very important truth. We can take the greatest part of Finance Minister lisley's able budget speech, analyze it, and find that the sentence quoted above sums up Mr. Ilsley's thinking remarkably well.

it puts around the freedom of living that they have been accustomed to. Because it interferes with them—they say the devil with the Government—I won't do it; I'll buy on the black market if I can. They fail to realize that rationing was not instituted by the Government just to interfere with their private freedom. Interfere with their private freedom. Interfere with their private freedom.
