### ONTARIO HOSPITAL MONUMENT TO DEMOCRACY WAY OF LIFE

(continued from page one)

The cost of providing hospital care for each public ward patient is about \$130 per day more than the combined income from the patient (or the patient's municipality) plus the government grant. As a result of this each year the Hospital faces a deficit amounting to many thousands of dollars. This year this deficit is greater than ever before, many due to conditions created by the war.

**Sympathetic Public Leads A Hand**

Were it not for the generosity of sympathetic and understanding people, business organizations, societies, clubs, etc., the scope and work of the Hospital could not be maintained on its present scale. Each year about this time a province-wide appeal is made for financial help to meet the annual deficit.

This year over \$125,000 must be raised. Because of the fact that patients are admitted from every part of the province, the Hospital does not share in Toronto's United Welfare Fund. Therefore, it makes its own appeal. It does so, confident in the knowledge that a generous and understanding people will come to the aid of little children who depend on them for a chance for health — a chance to take their place in the years to come as members of a prosperous and industrious society.

No canvassers are employed by the Hospital, so send your gift direct to the Appeal Secretary, The Hospital for Sick Children, 67 College Street, Toronto 2.

### PROFESSOR BELL ADDRESSES CROP SPECIALISTS

Declaring that drainage, organic matter, soil erosion and soil characteristics are four factors to be considered in any soil fertility program in Haldimand county, Professor H. G. Bell of the Soils Division, Ontario Agricultural College, Guelph gave a comprehensive review of the soil fertility test work conducted in the county during the past ten years or so.

Dr. F. V. Dierckx, Dr. J. Williams, Director of the Ontario Crop Improvement Association also spoke briefly. This was the occasion of the Annual Meeting of the Haldimand Crop Improvement Association.

The retiring President, Eymal W. Smith presided and in his address referred to the work of the Association during the past year, stressing particularly the Seed Fair in the investigation of the corn crop and the establishment of a permanent soil fertility plot.

The report of the Secretary Treasurer indicated that the Association was in a healthy financial position. A. J. Cowie, Caledonia, was appointed as a delegate to the Annual Meeting of the Ontario Agricultural College. The same officials were appointed as delegates to the Annual Meeting of the Federation of Agriculture.

It was decided that as a variation for the Seed Fair in 1944, a special seed fair would be held, on which occasion special addresses would be delivered on the corn crop in general, varieties, cultivation, fertility requirements and machinery. The seed grain situation was also considered at length. Reports were given as to quantities already reported and the work of the Association in advertising the need for saving seed grain supplies. The Secretary was instructed to continue this work.

The following Directors were appointed: T. L. Pearl, A. J. Cowie, Jas. Martindale, Amos Porter, Russell Hare, R. G. Mollenbacher, Menno Storz, Harold Meadmore, R. W. Smith, Harry Bartlett, Hugh Bradford, Victor Nablo, Gordon Acland, Wm. I. Walker, Stanley Cook, Robert Anderson, Walker Hedley and Harold Porter.

At a subsequent meeting of the Board of Directors the following Officers were elected: President, T. L. Pearl; 1st Vice President, T. L. Pearl; 2nd Vice President, Murray Goodale; Secretary Treasurer, A. G. Skimmer.
