**Perhaps we couldn't get home if they DIDN'T TRAVEL ON WEEKENDS**

Give the troops a break—please do not travel during week-ends. This applies especially to shoppers, children and non-essential travelers. Be home by 8 p.m. on Sunday nights because after that time the troops have priority and no extra buses will be available for civilian passengers. Please cooperate to avoid congestion.

**EMPLOYEE'S PARTY**

The employees of The Marshall Dairy Limited held their annual Christmas get-together last night at the home of Mr. and Mrs. Newton Marshall.

A pleasant evening was spent in cards and other games and many brief speeches were heard. The hostess served a delightful lunch later in the evening.

**KNOX CHURCH W.M.S. MEET**

Mrs. W. H. Fuller entertained the ladies of the Senior W.M.S. at the Manse on Wednesday, December 15th it being the Annual Christmas meeting.

The President, Mrs. J. G. Miller was in the chair and Mrs. J. A. Fleming, Secretary, presented the business. It was announced that copies of the book "What It Takes" had been sent to all Service Men of the congregation, and that in future the Junior W.M.S. intended to take charge of gifts for the members of the Armed Forces.

The devotional period was handled by Mrs. Ed. Miller, Mrs. W. E. Craddock and Mrs. A. Mehan. Mrs. Law read the topic which was of timely interest.

After the benediction, Mrs. Fuller brought in "Christmas Pie" and a social half hour was enjoyed by all.

**WEDDING**  
STEWART—HILL

A pretty wedding was solemnized by Rev. J. E. Maxwell B.A., at St Paul's Church, Jarvis, on Saturday, December 14th, when Evelyn May, daughter of the late Joseph Hill, came the bride of Mr. Howard Stewart.

The bride looked charming in a gown of gold crepe, brown hat and coat, and brown accessories. She carried a shower bouquet of roses and ferns. She was attended by her friend, Miss Verma Keist, who wore a becoming ensemble in gold and black, and carried a shower bouquet of roses. The groom was supported by Mr. Sanford Doucette.

After the ceremony a reception for a few friends was held in the Hotel George Simcoe, the table being tastefully decorated with roses and ferns.

After a bountiful repast the happy couple left amid showers of confetti and good wishes on a motor trip to points west, and on their return they will reside on their farm in Sandisk.

**NAANTICOKE W.M. MEET**

The December meeting of the Nanticoke Women's Institute was held at the home of Mrs. Albert Doughty. While the attendance was not large, owing to the flu, a Hara gave a talk on "The Flu". Mrs. Hara gave a talk on "The Flu". Mrs. Hara gave a talk on "The Flu".

**Message** Mitchell in a message to the Canadian workers to rededicate themselves to their war task.

Mrs. Mitchell said: "I met our manpower committee, Mr. Mitchell said: 'I met our workers on the farm and mine, in transportation offices, have given an account of themselves, and we know they will do so with us in the future.'"

"We must, however, not allow any consideration of this moment to divert us from our main task of securing peace through victory over our enemies. We must be prepared to produce the best possible of our own resources."

On the Farm Front

By Halldmand Harry

Farm production objectives have now been set for 1944 and in Halldmand county we are interested in the fact that many hogs are required for 1944 as many hogs are required in the light of past experience this year seem to be a rather difficult task.

However as pointed out by Col. E. J. Llewellyn, British Minister of Food, every effort should be made to maintain the present ration of four ounces and not permit a cut to three ounces. The British people merit our support for the stand they have made against Hitler and his enemies.

Malcolm Macdonald, British Minister to Canada is credited with saying that Britain would have lost the war if it had not been for the food including bacon from Canada. He said in this war that is a very important factor.

The hog - barley ratio is frequently mentioned when discussing hog prices and production. This is always the number of bushels of barley equivalent in price to 100 pounds of bacon hog at Winnipeg. The long term average is 17.2. Since 1935 it has varied between 15.1 and 24.8. In October, 1945, it stood at 20.2 without the barley equalization payment. When this is included it stands at 16.1 or less than the long term average.

Postprandium should be looking after their coal supply immediately. Special provision has been made for the importation of additional quantities of fuel oil for use in brooders and hatcheries. To get this you must fill out a form to be supplied by the dealer. The dealer is not permitted to deliver quantities greater than the quantity which added to the quantity on hand will provide a 90 days supply.

How much is my seed grain going to cost me? Many farmers are asking this question which involves the setting of maximum prices. Retail maximum prices for oats have been established on the basis of 1944 prices. The maximum price for a premium of 2 1/2% for cleaning etc. etc. making a total of \$1.00. To this should be added the freight from Port William plus charges for bags. In round figures this amounts to approximately \$1.15 a bushel.

The price of barley has been similarly set at around \$1.44. This is the maximum retail price at which the dealer can sell. These maximum prices however do not apply in the sale of registered and certified grades of seed, or to the sale of seed from farmer to farmer.

It is not too early to be looking for a supply of good seed for the 1944 crop. Already notice of the seed sale has been reported has been picked up. If you need seed from your neighbours first. See if they might have a few bushels to spare. If you have seed for sale be sure to offer it to your neighbours first and then report any surplus you may have.

In October last a total of 1908 hogs were marketed from Hamilton. Of these 454 or 23.8% were grade A, 855 or 45.0% were grade B, 599 or 31.2% were grade C. Eighty-two sows were marketed during the month and 40 hogs were in grade C.

Up to November 9 the total production of butter in Hamilton was 2,222,528 pounds or 62,430 tons less than during the same period of 1944. The production for the month was 106,374 pounds which is a drop of over 35,000 pounds from the production of the same month in 1942.

"I've told you afore, I'll no' ha'e ye whistlin' in your workin'." "It wasna, 'was just whistlin'." replied the offic' boy.

**Robinson Business College to Close at End of Term**

In an advertisement placed elsewhere in this issue, Mr. O. U. Robinson, Principal and Proprietor of the Robinson Business College at Watford, announces the closing of the school at the end of the current school term.

For nearly thirty years, The Robinson Business College has held a foremost place in training students to qualify them for a life in business. The Principal has long been a member of the executive of the Business Educators Association and was President of that body. He is also recognized as an expert pianist.

During the past year, the Robinson Business College has turned out many students who have found success in the business life of the nation. The Robinson training has been such as to meet the needs of the up-to-date office practice, and the principal of the school has rendered an outstanding service to the nation in this regard.

It will be most regretted that finally Mrs. and Mrs. Robinson have decided to retire from the work in which they were both so well fitted. The Robinsons were a family of high standing and of high character, and in this way that is a very important factor.

The Farm Mechanics Courses of the past year and a half have proved to be so popular and requests for similar courses in 1944 have been so numerous that the Hamilton School of Agriculture and the local Department of Agriculture are pleased to announce that these courses will commence at Nanticoke on Tuesday, January 4th.

The courses will be of two days duration and will be held in the Fire Hall at Nanticoke. The courses will be held on Thursday, January 6th and 7th. The courses will be held on Friday, January 8th and 9th. The courses will be held on Saturday, January 10th and 11th. The courses will be held on Sunday, January 12th and 13th.

The course will be held in the Fire Hall at Nanticoke. The courses will be held on Thursday, January 6th and 7th. The courses will be held on Friday, January 8th and 9th. The courses will be held on Saturday, January 10th and 11th. The courses will be held on Sunday, January 12th and 13th.

**Scouts Will Make Salvage Collection on Friday Dec. 31**

We learned yesterday that the Jarvis Boy Scout Group have expressed a willingness to undertake the regular collection of Salvage in the Village, and that they plan to start on Friday of this week.

The Department of National War Services have only this week sent an appeal to Newspaper Editors throughout Canada to bring to the attention of all readers the importance of averting the current waste crisis by encouraging and stimulating the salvaging of all waste paper now being destroyed. The situation is growing alarming. The Department has issued a permit to allow only recently, and it became evident that civilian users of waste paper would be denied the use of them, except for perishable goods.

We sincerely hope therefore, that all residents of Jarvis will continue to save all waste paper, material, and also that the Scouts will continue their interest in this important work, by making regular weekly collections from all homes in the Village.

The Scouts have been seen in the streets of Jarvis, and it is felt that they will do a good job in their new venture. The Scouts have been seen in the streets of Jarvis, and it is felt that they will do a good job in their new venture.

**NEWS FROM QUEEN'S PARK**

— By John C. Scott —

Ontario, raise the status of the province, obtain conditions which would enable teachers to give their best service, and increase public interest in education.

Liberals in the Ontario legislature have reaffirmed their previous decision to extend support to the government headed by Lt.-Col. George A. Drew, but will do so "having in mind the necessity of carrying on responsible government in Ontario."

There were fifteen Liberals elected at the August 4th election and thirteen of them at a recent caucus agreed to support the Progressive Conservative administration "in all matters which do not compromise Liberal principles." Robert Laurier, former prime minister, and Frank Kelly, member for Muskoka-Ontario, were not present at the caucus which also decided to invite former Premier Mitchell Hepburn to attend the next meeting, and if desired to be invited to attend the next meeting.

Mr. Hepburn was elected member for Elgin as an Independent Liberal and has already indicated he intends to support the government.

Drinkers of whisky in Ontario have agreed to meet in their own homes and starting January 4th they will be able to obtain only 25 ounces of whisky compared with the present allowance of 40 ounces.

The Ontario Liquor Control Board has announced that there will be no change in the price of whisky and beer ration cards.

Members of the Ontario Snowbirds' School Teachers' Federation have voted in favor of organization of a teachers' professional organization, and have elected a committee to lead the fight for the 4,500 members of the Ontario Snowbirds' School Teachers' Federation.

As a result of the vote, it is expected that the Premier, Drew, who also acted as the provincial minister of education, will be asked to introduce the next session of the legislature, a bill to authorize formation of a professional organization for school teachers. The bill would be in the nature of a "knockout" during the cause of education in Ontario.
