"Let Us Have Faith That Right Makes Might And In That Faith Let Us Dare To Do Our Duty As We Understand It"

VOLUME 65-1

JARVIS, ONTARIO, THURSDAY, JANUARY 6th, 1943

\$1.50 PER YEAR, \$2.00 IN THE UNITED STATES. SINGLE COPIES FIVE CENTS EACH

The Week in Ottawa

Specialty Written for the Record
By Douglas Green
Canadian Press Staff Writer

Ottawa, January 5th. - (CP) - The 1943 will see all Canadian forces in action and the year ahead will be much more active and, probably, much more severely realized than the past year. The outlook for the coming year is brighter than that of the past year, "have yet to be won," and the Dominion prepared for heavy losses, massive expenditure of blood and treasure, and the almost inevitable victory.

Prime Minister Winston Churchill, in his address to the House of Commons, said: "Our great struggle for victory is not a struggle for power, so Mr. King, the day's Eve message to the new attention to the fact that the Dominion may in the past year, through the aid of our country, have asked his fellow-citizens to do everything possible, in the war to a victory."

Mr. Donald Strachan presided for the election of officers, which resulted as follows: President, A. L. Miller; Vice Presidents, Mrs. Cora McKenzie, Mrs. Geo. L. Miller, Mrs. A. S. Elght, and Mrs. Sanford Fleming; Secretary, Mrs. Mabel Ross; Treasurer, Mrs. E. Holmes; War Committee: Mrs. A. S. Elght, convener, Mrs. Sanford Fleming, Mrs. E. A. Miller, Mrs. Hartley Ford, Mrs. E. R. Bebeck, Mrs. George Cartwright, Mrs. Chas. Powell, Mrs. Lea Porter, Mrs. W. F. Newman, Mrs. Ernest Walker, Mrs. Stan. Burditt, Mrs. Geo. L. Miller, Mrs. Helen Sloan, Mrs. Mabel Ross and Mrs. Cora McKenzie.

Rev. S. B. East extended a vote of thanks to the officers and workers of the local branch for their achievement during the past year, and special tribute was paid Rev. W. H. Fuller, as chairman of the Salvage Committee and Chairman of the Campaign Committee. Rev. W. H. Fuller was also named to head the campaign committee in 1943, which opens its drive for funds on March 1st.

The meeting closed with prayer by Rev. S. B. East.

CANADA'S COVE TAKE
BIG PART IN PRODUCTION

Butter Scarcity No Fault of Bonaire, It Seems: Average Milk Yield Has Reached Wartime Record.

Ottawa. - (CP) - The common of farm cow today appeared as one of the unsung heroes of the Canadian war effort. She has increased her average milk production by nearly two pounds a day compared with 1938, timing this improvement with the demand for milk and milk products by the fighting forces.

In October 1938, the average cow produced 12.9 pounds of milk a day and in the same month this year 15.3 pounds, Dominion Bureau of Statistics records showed.

In the last three years, in addition to increased milk production per cow, the number of cows milking has been raised. In 1940, 77.5 per cent of the total cows in Canada were being milked and in 1942, 78.1 per cent.

For Future Milking
Ottawa records indicated that more farmers are holding young cattle either for sale or future breeding, along with young female cattle to be used for future milking. Sales of cows are about normal, but farm to farm sales are more in evidence than in previous years.

The enlarged demand for milk products was reflected in the report last sales of fluid milk for Canada as a whole increased eight per cent in October as against the same month last year. Milk used in farm homes and for livestock feeding has shown an increase in all provinces.

Officials said the farm labor situation was a factor affecting the size of cattle herd. Farmers with adequate family help were increasing their herds but those uncertain of labor supplies were enlarging their herds only cautiously.

Abundant feed supplies are encouraging the extension of herds in most provinces, but in parts of Western Canada the coarse grains harvest still is in the fields and will not be threshed until spring. Although the percentage of cows being milked is larger for all Canada, some provinces reported a reduction in milked cows. In Saskatchewan only 65.3 per cent of the total cows were being milked against 75.1 per cent in the same month in 1941.

REPORTS GIVEN AT RED CROSS MEETING

MANY OF 1942 EXECUTIVE
RETURNED TO OFFICE

The annual meeting of the Jarvis Branch of the Red Cross Society was held in the Town Hall on Tuesday evening. Reports of the activities of the past year were heard from the executive officers, which revealed a splendid record of achievement.

The President, A. L. Miller, was in the chair and after the reading of the minutes of the last annual and subsequent meetings, gave a brief resume of the work in 1942. He paid tribute to the untiring efforts of those who had given of their time and talents on behalf of the Red Cross, both in raising funds and in knitting comforts for the men and women in Service.

The Treasurer, T. B. Holmes, in presenting a most comprehensive report of the finances, revealed that nearly \$2500.00 had been raised in 1942. Of this total approximately \$1700.00 was remitted in cash to Provincial Headquarters, which was used largely in preparing boxes for prisoners of war.

Mrs. Mabel Ross, Secretary, gave the report of the work done by the work committee, and while the volume was down slightly from 1941, the total was very impressive, and was a tribute to the efforts of the ladies of the community.

Mrs. A. S. Elght, Convener of the work committee, spoke briefly and expressed her thanks to the workers for their loyal co-operation during the year.

Mr. Donald Strachan presided for the election of officers, which resulted as follows: President, A. L. Miller; Vice Presidents, Mrs. Cora McKenzie, Mrs. Geo. L. Miller, Mrs. A. S. Elght, and Mrs. Sanford Fleming; Secretary, Mrs. Mabel Ross; Treasurer, Mrs. E. Holmes; War Committee: Mrs. A. S. Elght, convener, Mrs. Sanford Fleming, Mrs. E. A. Miller, Mrs. Hartley Ford, Mrs. E. R. Bebeck, Mrs. George Cartwright, Mrs. Chas. Powell, Mrs. Lea Porter, Mrs. W. F. Newman, Mrs. Ernest Walker, Mrs. Stan. Burditt, Mrs. Geo. L. Miller, Mrs. Helen Sloan, Mrs. Mabel Ross and Mrs. Cora McKenzie.

Rev. S. B. East extended a vote of thanks to the officers and workers of the local branch for their achievement during the past year, and special tribute was paid Rev. W. H. Fuller, as chairman of the Salvage Committee and Chairman of the Campaign Committee. Rev. W. H. Fuller was also named to head the campaign committee in 1943, which opens its drive for funds on March 1st.

The meeting closed with prayer by Rev. S. B. East.

CANADA'S COVE TAKE
BIG PART IN PRODUCTION

Butter Scarcity No Fault of Bonaire, It Seems: Average Milk Yield Has Reached Wartime Record.

Ottawa. - (CP) - The common of farm cow today appeared as one of the unsung heroes of the Canadian war effort. She has increased her average milk production by nearly two pounds a day compared with 1938, timing this improvement with the demand for milk and milk products by the fighting forces.

In October 1938, the average cow produced 12.9 pounds of milk a day and in the same month this year 15.3 pounds, Dominion Bureau of Statistics records showed.

In the last three years, in addition to increased milk production per cow, the number of cows milking has been raised. In 1940, 77.5 per cent of the total cows in Canada were being milked and in 1942, 78.1 per cent.

TRIO OF PATRIOTS

"Three of a Kind" - and more to come! Here are three of the attractive Culligan Sisters, of Kitchener, Ontario, who were heard in a recent edition of "Comrades in Arms" over the CBC National Network (every Friday at 10.15 P.M.). Left to right are: Airwoman Carol Culligan, Airwoman Pearl Culligan, and Airwoman Olive Culligan. A fourth gallant young Culligan, Airwoman Ruby Culligan, was unable to attend the broadcast. But that's not all! There is a fifth Culligan, a charming girl who plans to join her sister sisters in the R.C.A.F. next July. CBC's next programs devoted to the United Services of Canada's armed forces will be heard Friday, January 15th; the highlight will be a salute to the C.W.A.C.

Canadian Red Cross Plan Campaign For \$10,000,000.

Toronto, January 5. - (CP) - A three-week national appeal for \$10,000,000 in voluntary contributions will be starting March 1, it was announced here today. The announcement was made by Jackson Dobson, chairman of the central council, and Mr. Justice P. B. Gordon, chairman of the national executive.

"The Canadian Red Cross urgently needs a minimum of \$10,000,000 to carry on its work in the mitigation of human suffering," this joint statement said. "The Red Cross is an international organization, and under the auspices of Geneva is required to obtain the support by voluntary subscription to preserve its rights, privileges and immunities guaranteed under international law. No belligerent government may finance the Red Cross society; to do so would destroy the international status of the society and even wipe out its immunity under fire."

"The decision to hold the national appeal in March was made with the fullest co-operation with the Dominion government to avoid clashing with plans of the national war finance committee."

The statement said one of the society's biggest works during the current year is the supplying of food parcels for Canadian, British and Empire prisoners of war in Europe and the Far East. The Canadian society's share of this, together with provision for food, drugs and other supplies for Canadian prisoners in the Far East would require \$5,500,000 during 1943.

Local Items
Of Interest

PRISONER OF WAR
Word was received here yesterday that Donald (Don) McKim, son of Mr. and Mrs. George McKim of Lyndoch, and formerly a member of the Canadian Bank of Commerce staff here, is a Prisoner of War in Germany. Rev. who went overseas with the rank of Pilot Officer in February, saw many operational flights over enemy territory, and last month he was reported missing.

HALDIMAND COUNTY
COUNCIL FOR 1943
Caledonia - Gordon Lyall; Cayuga - W. J. Connolly; Dunnville - Reeve, J. N. Allan; Deputy Reeve, Gordon Cammell; Hagersville - Roy T. Hewitt; Jarvis - Laird Miller; Canboro - Robert James; North Cayuga - Morley Coverdale; South Cayuga - Lloyd Huber; Dunn - Arthur Albright; Moulton - William I. Walker; Ouelia - Douglas Murray; Rathnam - Gordon F. Fulson; Seneca - Frank Bird; Sherbrooke - J. Albert Hoto; Walpole - Reeve, Roger Dennis; Deputy Reeve, Elvin S. Pond.

ANOTHER RED CROSS
WORK RECORD
Miss Olive Butcher and her mother, Mrs. William Butcher, who reside on the second concession of Walpole, have established a work record in the local Red Cross that is remarkable. During 1942 they completed fifteen turtle neck sweaters, sixteen V-neck sweaters, fourteen pairs of seamless socks, twenty-eight pairs of service socks, one belt, one cap and one pair of mitts. Let's hope that many others will TRY and equal this record in 1943.

CHEAPSIDE Y.P.S. MEET
The new Village Council will be sworn in to office next Monday morning at 11 A.M. If the usual custom is followed they will likely adjourn their first meeting until the evening at 8 P.M. The first meeting will be likely devoted largely to the naming of committees covering the activities of the Council.

A Thought
For the Day
Lost, yesterday, somewhere between sunrise and sunset, two golden hours, each set with sixty divine minutes. No reward is offered for their return. No reward is offered for their return.

SECOND CRASH VICTIM DIES IN HOSPITAL

Flight-Sgt. G. R. Troutbeck, of Port Dover, Falls to Rally From Injuries

Cpl. William Dean, London, Killed When Bomber is Wrecked Near Rome

Second victim of the crash of a Bellinghame bomber from No. 1 Bombing and Gunnery School, Jarvis, died in Hamilton Military Hospital Monday night, whose name is in Port Dover. Cpl. William Cecil Dean, of London, Ont., was killed almost instantly when the big plane plunged into a field a mile east of its base.

The accident occurred at 11.15 A.M. on Sunday, while the plane was on a routine training flight. There was no snow falling at the time and flying conditions were fair.

The machine did not take fire and when rescuers arrived they were able to reach the occupants. After the arrival of a crash party, Flight-Sgt. Troutbeck was removed to hospital in Hamilton. While his injuries were extensive, hope was held that he would recover.

Flight-Sgt. Troutbeck was pilot of the bomber. Cpl. Dean was an auto-engine mechanic. His wife, the former Eileen Ebdon, of London, Ont., now resides at Port Dover.

The remains of Cpl. Dean are to be conveyed to London, Ont. for interment. A Military Funeral for Flight-Sergeant Troutbeck was held yesterday afternoon at St. Paul's Church and interment was made at the R.C.A.F. Plot, Jarvis.

WEDDING

BOWMAN-WISHART

St. James Church, Guelph, was the setting for the marriage of Miss Marie Wishart, of Tabanus, New Brunswick, to Clarence William J. Bowman, of No. 4 Wireless School, Guelph, son of Mrs. Kathleen Bowman and the late Harry Bowman, of Winnipeg. The Reverend Douglas

The bride wore a becoming gown of powder blue crepe with turban in two shades of contrasting blue. She carried a Colonial bouquet of roses. Jean Weed of Fredrickton, New Brunswick, bridesmaid, wore a gown of hunter's green, crepe with red and white hosiery, and matching accessories. She carried a bouquet of roses. L.A.C. bride was groomsmen. A reception followed at the Ritz.

Church Notes

AT THE UNITED CHURCH
On Sunday morning the sermon subject will be "The Inevitable Defence we need for 1943." At the 7.30 o'clock service "Him a Gift Religion" will occupy the attention of the congregation.

Mrs. Nathan Pond presided for the first meeting of 1943 of the Women's Association of Wesley United Church. It was held at the home of Mrs. Helen Suel. Mrs. A. S. Elght read the Scripture lesson, and Mrs. Longfellow's "Christmas Bells" were served.

Mrs. Elght invited the Association to her home the first Tuesday in February.

AT THE ANGLICAN CHURCH
An enjoyable social evening was held in the Parish Hall of Christ Church, Nanticoke, on Tuesday evening of this week. Prizes were presented by Mr. Ralph Porritt and refreshments were served by the ladies of the parish.

The Broadway Women's Auxiliary held its annual election of officers at the home of Mrs. Bebeck on Wednesday afternoon.

PTE. LLOYD ANDERSON

A memorial service in honor of Pte. Lloyd Anderson, son of Mr. and Mrs. Stanley Anderson, of Toronto, who gave his life in the Dieppe Raid, was held at the Rockford United Church on Sunday.

On the Farm Front

BRIEF NOTES FOR THE
BUSY FARMER

Not only are Ontario farmers being asked to increase their production of bacon but co-operatives are being requested in the production of eggs, butter and beef with the maintenance of the present production of cheese and as many potatoes as can be produced with the labor available. The increase for bacon has already been announced. The increase in the production of eggs requested is 15 per cent, butter 13 per cent and beef 10 per cent.

It is estimated that it will require 1,200,000 head of cattle yielding 612,000,000 lbs. of beef to meet the needs of our domestic consumption and for ships' stores. The total meat production goal for 1943 including beef, veal and lamb amounts to 1,754,065,000 lbs. which is 300,000,000 lbs. more than 1942 and a 75 per cent increase over pre-war days. 50 per cent of this total production will be in the form of pork which explains the emphasis being placed on swine production.

Continuing our discussion started last week on the production of pork we would like to emphasize again the importance of caring for the sow during pregnancy. The proper diet plus ample exercise will do much to insure strong healthy, liveable litter.

Anemia is another hazard that has to be met in the caring for young pigs. The treatment of soda with iron sulfate has already been dealt with in this column and need not be repeated now. The advice should be applied in the corner of the pen where the little pigs can have access to them and they soon acquire the habit of rooting their noses around and obtaining their supply of iron in this way.

The earlier the feeder can get his young suckling pigs to eat grain the better it will be for the pigs themselves and the easier it will be on the vision of weaning time. The production of a crop so that they can help themselves to a suitable ration without interference from the sow is highly recommended and plus should be eating on their own accord when they reach three weeks of age. The feeding of cod liver oil is a good insurance against complications particularly in the case of winter litters. This may be mixed with the feed or it can be placed in a small container allowing the pigs to help themselves.

The raising of large litters to healthy pigs does not happen by accident; it requires the combination of constant effort on the part of the operator, every precaution to prevent disease, and a proper diet.

Farm Machinery Repair Meetings start this week in Meaford and Sherbrooke Townships and Dunn and South Cayuga Townships. This is an important occasion for farmers to miss the opportunity of picking up a few new ideas on the subject of farm equipment maintenance. With all farm machinery being rationed and a definite limit being placed on the amount of metal allotted for farm equipment and repairs farmers will be required to make their old equipment last in many cases for the duration and any assistance provided by way of hints (continued on page eight)
