YOU HEAR IT at all hours . . . that long-drawn cry of the locomotive whistle. It's the war whoop of the railways.

It may be a troop train speeding to keep a date with a convoy ... it may be a long freight loaded with tanks, guns and other materials of war, many of them built by the railways themselves ... it may be another week's supply of raw materials to keep a war plant in production, or food, fuel and other

It is the proud war whoop of Canada's greatest war industrythe railways, which are serving the nation as effectively in war as in peace. Only the railways can furnish mass transportation on such a scale.

Your railways were ready . . . ready in war, so that Canada could strike with all her might. They will be ready in peace again to serve a greater Canada ... rolling ever forward on high-

there are those whose children do not Kitchener city council has been indered at the council to join the lature to pass an Act which would make it necessary for all electors to vote at municipal elections. We tion, but we understand that it suggests that compulsory voting might prove a remedy for the prevailing apathy in municipal matters. If municipal electors knew that they would have to vote in the event of a muncipal election, they would naturally take more trouble to inform themselves about the candidates and the questions at issue in the election. This would in itself be a good thing. We have never quite understoo why Canada has failed to adopt com incial and Dominion as well as munvincial and Dominion as well as municipal.
