

## ADDRESSES ON THE MOVE...

MAIL TO REINFORCEMENT UNITS  
A CHALLENGE TO US ALL...

THIS is a war of movement. Never before have troops been moved such incredible distances, in so many theatres of war, so quickly. Night and day, thousands of men are in motion, by sea transport, motor truck and air... edging into enemy territory, shifting to keep the element of surprise. Did you ever stop to think what it means, under these trying conditions, to find your friend or relative, and put your letter into his hands?

Yet in spite of the tremendous task involved, tracing men who are moving from reinforcement units in England to group depots in Italy... or from one location to another... or through hospitalization or while on leave... in the face of every sort of war hazard... 31,500,000 letters in addition to parcels and other items, reached our men in 1943.
