Daily Bond Sales Must Be Increased

We Will Buy Bonds in the Homes, on the Farms, in the Factories and Business Places

Every man and woman, boy and girl in Haldimand must buy every possible bond if his or her community is to reach its objective, thus enabling Haldimand County to again reach her objective and to hold her head high among the Counties of Ontario.

I would like to try an innovation in this Victory Loan Campaign. It is this: I hereby appoint you a Victory Loan Salesman!

Remember our slogan. Everyone must BUY BONDS TO THE LIMIT

This Campaign will not be easy, but we can make it successful and enable us to write to our boys as follows:

I must tell you first of all that Haldimand County has again exceeded her objective, which was \$1,500,000 this time. It seemed a big job, but everyone wanted to have a part in backing all the boys and girls to the limit, because we want you, and Victory Bonds help to bring you home sooner. We were all salesmen this time, selling ourselves, and we are very proud of the job we did.

Love, Dad or Mom. THIS IS A MESSAGE TO YOU FROM YOUR COUNTY CHAIRMAN

J. N. Allan
