THINGS THAT MATTER—

CAPTAIN M. C. ROBINSON, who, as the youngest sergeant-major in the Canadian Army twenty-seven years ago, lost his sight at Vimy Ridge, learned to be a masseur. He returned to Canada and practised for a time in Fort William and later in Victoria.

1944 ASSESSMENT—

MANY EYEBROWS have been raised during the past week when Jarvis residents received their annual assessment notice from the Assessor.

ONTARIO FARMERS 1000 MEN WANTED Now!

THIS is an appeal to THE FARMERS OF ONTARIO. The Packing Plants of Ontario, which process and ship your livestock for export, ARE SERIOUSLY SHORT OF MEN.

With full staffs, the Packing Plants of Canada have ample capacity to handle even the tremendously increased numbers of cattle, sheep and swine, which Canadian farmers have ready for market this year.

Last year several hundred Ontario farmers volunteered for work in the plants in processing their own products and protecting their own interests.

The Ontario Farm Service Force, in conjunction with Employment and Selective Service has undertaken the task of raising sufficient help from Ontario Farmers to keep Packing Plants operating to capacity this year.

Your services are needed from now until spring. If you cannot devote that full period of time, a month or more will be of great assistance.

OFFER YOUR SERVICES AS SOON AS POSSIBLE. If you cannot go to work at once, call or write, stating that you will come, and at what date you will be available.

For full information or offering your services, apply in person, phone or write to your nearest office of
