Dedication To Victory

In the presence of Almighty God, and in loyalty to our men and women overseas death for us, we citizens of Canada rededicate ourselves to the cause of Victory and in this crucial hour when an increasing number of our fellow citizens are making we at home pledge ourselves to maintain our best efforts to give the utmost support and suffering on the battle fronts of freedom; to complete the victorious peace by putting vigour they rightly expect of us.

Supported by faith in the righteousness of our cause, and conscious of our responsibility to the King, to the members of our Canadian Fighting Forces and to our fellow man, we will see our goal is triumphantly reached.

THEY HAVE MADE THE SUPREME SACRIFICE
