John Bull Stole Hitler's 'Intuition'

listed as "now it can be told," none enlivens the imagination more than hard-headed John Bull's use of astrology. The story is that, aware of Hitler's faith in such readings, the British had the Fuehrer's horoscope cast every day, just as he did. Thus they knew as soon as he what hints he would get from the stars and regularly stole his famous intuition.
The plan worked, too, according to the report. They were able to forestall several of his moves.
