Canadian Press Staff Writer

the first time in her long history, Japan has been completated and now is undergoing occupation of her soil by foreign

ons among its military, industrial ,agricultural and adminleaders, and by recrudescence of inter-island jealousy, would certainly dissolve into confusion and render effective Allied and reconstruction impossible—unless the focal point of ans alone, it is maintained, can Japanese unity and the ninimum of national self-respect be preserved.

erous observers contend that the idea of establishing Japancracy by imperial command betrays a fantastic confusion of Emperor-worship, they say, is a recent invention which was fted onto Shintoism, and there are probably men still living who can remember the days when the Mikado was a political the senior "baron" in their feudal system.

ong as the peasant-soldier believes, as he does now, that by ith the Son of Heaven he becomes the chosen instrument for ition of the divine purpose, so long will he be convinced that gs to a super-race—a herrenvolk with a far more dynamic that the Nazis could ever entertain.

panese democracy can no more be established by order of the ments than it can by imperial rescript; it must come people whose minds have been liberated. We are commitsing the imperial regime, at any rate for the time being, and easy to see how chaos could otherwise have been avoided. ing the critical and difficult period ahead, the Allies will be the problem of how to use the Mikado as an executive inwhile preventing the industrialists or any other group from the future of Japan according to their own ambitionsimperial facade. This may not be easy. is broadcast, Hirohito repeated the lie that Japan had only

the United States and Britain out of a sincere desire to enpan's self-preservation and the stability of East Asia, withthought of infringing on the sovereignty of other countries over, by his statement that Japan had been defeated by and most cruel bomb," he was laying the foundation for a leg-

the disgust of the civilized world; To eradicate the secret police and the secret network of associations which enabled the militarists to saturate the

with their doctrines. the rest, one can only hope that the fresh air of free poliussion—being advocated by the Japanese press—and the example of a progressive and enlightened policy on the part es in the Far East generally may gradually convert the

### Slaughter Control Locker Operators

order to provide direct aid for the hungry peoples of Europe

render coupons for the meat they use and sell. Any excess of meat over the farmer's or his neighbor's needs may be sold only to the holder

of a regular slaughter permit. The minimum amount which a farmer may sell to such a permit holder is one quarter of beef or half a hog carcass. Sheep, lambs or calves slaughtered by a farmer for his own or his neighbor's use may not be sold into the meat

(carcass weight) per person, per week.

Unrationed Meats—beef brain, head, tail,

Boards—once a month—in the RB-61 envelope.

from their own slaughterings. So that they may buy other meats from their butchers, no more than one-half of the valid coupons in the hands of the farmer and his household Coupon Values-Group "A", 1 lb. per to a neighbour farmer must collect coupons coupon; Group "B", 1½ lbs. per coupon; at the rate of 4 lbs. (carcass weight) per Group "C", 2 lbs. per coupon; Group "D", coupon.

Rationing Is your assorance of a fair share.

Is a protection against waste... shortages... inflation.

That is why farmers are asked to continue to collect and turn in coupons to their Local Ration

HUNGRY EUROPE NEEDS MEAT

That is why ration coupons will soon be used again by Canadians to buy meat

A supply of Consumer Declaration forms is being forwarded to each locker operator who will, in turn, distribute them to his patrons. The patron is responsible for completing the form

and filing it with the Ration Branch Office. Consumers must surrender coupons for all meat held in lockers over and above 4 lbs. for each person in the household at a rate of 2 lbs. per coupon. However, no more than 50% of the "M" coupons in the ration books of the consumer and his household need be surrendered.

## - MEAT RATIONING FACTS

Amount of Ration will be roughly 2 lbs. 21/2 lbs. per coupon; Group "E", 3 lbs. per

blood, tripe; calf brain, head; pork brain, Farmers must turn in to their Local Ration head, tail, pigfeet, spare ribs; lamb brain, Boards a coupon for each 4 lbs. of meat head, tail, fries; poultry, game and fish (carcass weight) they use in their households

No. 5. One coupon will become valid each
