### LETTER TO THE EDITOR

We, like the storekeepers, have been taking stock at the end of the year and in the accounting would like to express our appreciation for the good will which you have shown in assisting us to help further the cause of the Salvation Army has always aided.

This year has been a difficult one and there are so many facets of interest demanding our attention that the newspapers, with their limited space, have been more generous in telling the story of Army activities both here and abroad.

We trust that in spite of the foreboding days through which we are passing, that the efforts of the troops overseas will impel us to pledge ourselves anew to see that the peace we hope for in 1945 may be made a just and lasting one.

Yours sincerely,

THE SALVATION ARMY

Dear Friends:

Just a short note to thank you for the three hundred cigarettes I received a few days ago and I must say that they are very much appreciated as here in Holland Canadian smokes are very scarce.

I wish to send my thanks to all those who contribute to the cigarette fund for the Forces Overseas. Well I must close now and thank you, your friend,

—FRANK NORMAN

Radio Batteries in stock at H Montgomery's, phone 50, Jarvis.

Dear Rusty:

I want to thank you for a parcel of gum I received a few days ago and I must say that it is a God-send, as I like it very much and this gum is particularly good. And I sure want to thank the Jarvis Cigarette Fund for it.

—E. J. McCARTEN

The Jarvis Cigarette Fund,

Dear Friends:

I wish to thank everyone for the large amount of cigarettes and gum which I have received. Also for the Jarvis Record which brings one up to date on the home news. I am sure that you and all the very merry Christmas and a Happy, Prosperous New Year.

As ever,

—WES. MCKEEN

New Scherling tires available from Hugh Montgomery, phone 50, Jarvis.

Dear Rusty:

Just a few lines to thank you and all the folks back home, who make it possible for us to receive cigarettes and things from Jarvis and vicinity. After five years away from one's home community, to be remembered and loved by the folks back home, makes a fellow feel good. So far, it hasn't been my luck to meet many

### FOR THE FORCES

Supplying Canadian news and entertainment to the Dominion's troops overseas is one of the current responsibilities of CBC's rambling reporter, Gerry Wilton, who is attached to the London office of the CBC Overseas Unit.

Wilton's supervision form part of the series of broadcasts presented by the BBC as an Allied Expeditionary Forces program. Since going to Britain in 1940, Wilton has been associated with some of the most popular programs produced for service personnel, including the variety, "Johnny Canuck's Review," and "Starlight."

Paint is more than colour. It provides much needed protection against the destructive forces of nature. However appearance is also a very important factor. Most of the well-painted farm buildings make a favourable impression and it is not unreasonable to assume that the man who is careless about his buildings will be careless about many of his general farm practices. Let us now at the threshold of a new year, resolve that we will paint at least one building on our farm this year.

"Sour" soils will grow good legume crops while "sour" soils will not. The presence of lime in the soil is favourable to the growth of soil bacteria. These little workers break down plant food or fertilizer elements into the nutrients which growing plants can use. The bacterial action is more rapid and more complete in "sweet" soils than in "sour." Thus an application of lime is not only beneficial in itself, but it also gives the crop a better chance to get the full benefit of any fertilizer you apply.

—v v v—

Furthermore, the organic content of the soil increases where lime is lacking in organic matter. The programs under Mr. Morgan have been associated with some of the most popular programs produced for service personnel, including the variety, "Johnny Canuck's Review," and "Starlight."

Quaker State Oil is now obtainable from H. Montgomery, phone 50, Jarvis.

Dear Friends:

Your cigarettes have been coming through quite regularly and are very much appreciated. Have just run across an old friend who is now stationed with our squadron. He is a chum from Stoney Creek who was with me for nearly a year in Canada

—v v v—

Dear Rusty:

I received the lovely box of gum which you sent me and it sure is appreciated very much for it sure is a swell gift. You can guess just what all the lads in my gun crew are doing also myself. We are cheering gum and is it ever good. So I would like to thank each and everyone of you a million times for the box of gum. Yours sincerely,

—Gnr. BARTLETT, J.

Dear Rusty:

I wish to thank you and all the others responsible for sending me the box of gum and also the three Buckinghams which arrived at the same time. They sure make a welcome gift to say nothing of the lift in morale. When a guy has chew and a smoke he doesn't want for anything. So thanks again and keep in this punching and it will be over soon. Yours,

—RALPH FESS

Dear Rusty:

Many thanks for the three hundred Buckinghams cigarettes I received today, making a total of fifteen hundred since I have been overseas. The smokes are sure good to get, I also enjoyed the chewing gum which I received sometime ago. It certainly was tasty.

Well, give my good regards to the Jarvis and District people and I would also like to thank those who contribute to the cigarette fund for the fine work they are doing. I am receiving your paper regularly and certainly enjoy it also. Well I must say thank again, from your friend, yours thankfully,

—FRANK NORMAN

Dear Rusty:

Dear Friends:

Here are just a few lines to say thank you for the six hundred Buckinghams cigarettes that I have received. Also I want to say thank you for the parcel of twenty packages Wrigley's chewing gum. Everything seems to go on just about the same as this station. I am going to a radio school for a three week course soon so that will be a change for awhile. Some of the other fellows are there now. Chew and a smoke he doesn't want for anything. So thanks again and keep in this punching and it will be over soon. Yours,

ATTENTION MR. MOTORIST

It has been established that the majority of car accidents are due to speed. Some are due to the fact that drivers have taken their eyes off the road, others to drivers zoning off to sleep, others to tire blow out, to faulty lights and to defective brakes. But in the final analysis most of them are due to speed. Think it over Mr. Motorist, and slow down.
