At long last we heard from our that: we have a friend, a little son. It was nearly five weeks. Time over seventy, who keeps her sidewas measured not as from day-light to dark but from one mail morning when she was thus actime to another. When the long looked for letter finally arrived it along and exclaimed - "Don't you "Don't worry about me — I am well and happy." Yes, we are quite sure our son is happy because he has attained his objective — that of driving a high powered lorry in a theatre of serious Rob had the know a person past fifty shouldn't shovel snow?" "Yes, but I am only forty-eight!" a theatre of action. Bob had the choice of staying in England as a corporal or going to Belgium as a private. It just doesn't make sense. One would think it should be the other way around if men
