### **An Urgent Message from** GEORGE DREW

JUNE 4th is Election Day for the members of our armed forces overseas J from Ontario, as it is here at home. The arrangements which have been made provide ample time for the overseas vote to be taken. Special Returning Officers are already overseas.

Something more, however, must be done if our voters overseas are to know why an Ontario election was forced upon us at this time.

I appeal to each one of you who read this message to write NOW by airmail. Give our men and women overseas all the information you can and be sure to tell them the correct name of the Provincial Riding in which they are entitled to vote, and the name of the candidate. This is of the utmost importance because so many of them have never voted before and the difference between the names and boundaries of Provincial and Dominion Ridings make it doubly necessary that you be sure to give them the exact name of the Riding in which they are entitled to cast their ballot on June 4th.

If you are in doubt as to any details please call the Progressive Conservative Office in your locality and get the necessary information without delay.

thanking you again for the cigar JAMES DUNNETT

Just a line to thank you for the

Jarvis Cigarette Fund:
Dear Friends:
Many thanks for the three hundred Buckingham's that arrived today, once again they have come across and I thank you sincerely for them. Last Thursday, April 5th, I had Brad MacMillan drop in to see me for a few minutes, it was at a time when we had the Ordnance Inspectors in and I was busy, so could only see him for a few minutes, it

busy side since that day, this is my first chance to write to you. Also in the same mail came the Record issue of March 1st. Thanks very

and have a spot just on the edge of a woods. On the sunny days its O. K. but on the rainy days, it is not so O.K. Things seem to be going very well over here now, and it be-gins to look as though we could at least hope for the end some this year I trust that all is well with you Rusty, and with all the good folk in Jarvis. After that severe winter

proof that we, at home, are doing all we can to back them up.

Attack wins objectives. Support wins Wars.

And that is where we, on the home front, fit into the war programme. We must furnish support. We must buy more

Victory Bonds are a good investment... the safest place that you can put your savings. You should buy them to have money for things you want to do when the war ends. (In case of emergency you can get cash for them.) All the money you invest in Victory Bonds comes back to you eventually. Meantime your bonds earn 3% interest.

Your banker will tell you it's good Bear in mind that part of the money which Victory Bonds provide is used Bonds. **INVEST IN THE BEST**
