OTTAWA REPORTS

That First Centre for Junio Farmer Education Will Open Soon In Cayuga

The first rural youth communi ty centre in Ontario is soon to be set up on the site of the former air training centre at Cayuga, Under the supplementary agricultural, education plan made public in June it is proposed to set up in each county a centre for junior farmer education, for both boys and girls. A three-months' residential

course will be the core of the program. This will be held during farm season.

it eminently suitable for its new service. The large hangar will be divided into classrooms, equipped with all facilities necesary for practical agricultural education The former barracks will be re-modelled as quarters for the students and there is a complete kitchen and dining hall. Another building will house farm mechinery and will be used for the farm me-As for fun-the young farmers

will create their own. Provision wil be made for theatricals and sports of various kinds and the large skating rink which was built for the air trainees will be open to them. The initiative in requesting the

creation of a community centre must come from youth farm organizations. By their pledge o support, the project is assured success under the province-wid plan.

The Edmonton-Whitehorse-Sna air route, over which thousands of airplanes and thousands of ton of supplies for Russia and for defence of North America were flown, was built and completed during the dark first few years of the war. In 1942 and 1943 it enabled a successful defence agains Japanese intentions in the Aleu-

North-West Air Command, with by Canada.

possible because liason has been established between the Canadian Federation of Agriculture and War Assets Corporation in a cooperative project in which seven of the provincial departments of this plan a special price is set on the trucks at which the farmers are being made to hold them i other provinces.
