**Church Notes**

**Church Notes**

Services, July 21st, will be held at 7:30 p.m. at the Presbyterian Church, Jarvis, Ontario, when Mr. Fuller will be in the morning and evening.

The Young People's Society will meet on Friday night, July 20th, at 8:00 p.m. at the Church at 1:30 p.m.

M.S. held its July meeting at the Church lawn, where the Band presented a short play, "The Story of the Cross." The program was well received. A letter from Mrs. A. J. Fleming reported the 10th Anniversary of the Auxiliary.

Services for the anniversary of the Young People's Society will be held at 8:00 p.m. on Friday, July 20th. It is hoped that a large number of the congregation and friends will be present.

The group supper which was held at 8 o'clock, following transportation or in the supper hall at the Church, was a success.

Services will be in the Pulcherrima Church on Sunday morning, July 22nd, when the congregation and friends are invited.

**SCHOOL PICNIC**

The school picnic is being held on Thursday, July 26th, at the home of the congregation and friends are invited.

**ENGAGEMENT**

Mr. J. W. Fleming, an engagement of their only daughter, Lorraine, to Mr. Roy Hodley of Hamilton, is being celebrated on the 11th of the month. The marriage is being celebrated on the 11th of the month.

**Notice**

Anyone who can provide flags, hunting or other decorative material for the official welcome home to the service men and women which takes place on September 19th at Jarvis Park are requested to contact A. L. Miller as early as possible. Anything you can spare will be appreciated.

**Juveniles Drop Second Game To Simcoe**

**PLAY THIRD GAME TONIGHT**

Simcoe evened the semi-final series with Jarvis in the Inter-County play-off on Tuesday night when they tucked the game away in their own park by an eight to six score. The third and deciding game will be played under the floodlights at Simcoe on Wednesday night.

According to the Manager, Charles Butts, the local nine turned in one of their poorest games of the season but he anticipates a reversal of form for the final game tonight and is confident Jarvis will go on to the finals with Port Dover.

A good turn out of supporters for the game tonight will no doubt encourage the juveniles for a win and help Jarvis fans will get behind the team in this game.

**The Week in Ottawa**

**Specialty Written for the Record**  
By H. Dent Hodgson — Canadian Press Staff Writer

Ottawa, July 11 (CP) — While debate on Finance Minister Dingle's 1946-47 budget dwindles out in hot air in the week whether the government would apply these penalties. It is a 48-hour week and \$32.50 minimum wage.

The peak production of butter for Ontario for the year 1946 appears to have been reached during the third week in June, according to a summary of creamery inspectors' reports issued by C. E. Lachance, Director of the Ontario Dairy Branch. While some sections had their peak a week earlier, the hot weather of the last week of the month had the effect of curtailing the peak season.

The butter quality competition conditions generally, says Mr. Lachance, the peak did not quite reach the levels of that of a year ago, although quite a number of reports report production for this time of year equal to that of last year.

When it became evident that June production was not going to exceed that of last year, the butter market firmed considerably, rising a full cent a pound between the first and the last of the month. Because of the difficulty in obtaining supplies of winter, the egg and the plants are endeavoring to guard against a repetition and are storing all their surplus. Supplies reaching the larger centres were smaller and just sufficient to take care of current needs. While cream prices were dropped during the first part of the month, the rise in butter prices was reflected in a rise in cream prices towards the end of June, particularly in Western Ontario.

The following are some of the changes in the year more keenly contested than ever with a large percentage of the competitors having little or no undergrade butter to date. Based on grading returns, Ontario is producing the highest quality of butter in better than last year.

**Cousins Honored At Large Gathering**

The Jarvis Women's Institute met at the home of Mrs. Wotham with a good attendance despite the hot weather. Mrs. A. Marr gave an interesting talk on our new Government's life and his love of nature. Mrs. Harold Johnson gave a wonderful paper on "The Truth About Cancer and Its Cure" that gave everyone all the details about Cancer from its cause to its cure. Mrs. Leathem gave a descriptive talk on "Making Salads" passing on ideas and suggestions. It was decided to send another box of food to Britain, by a special collection.

The meeting next month will be at the home of Mrs. Parsons, being "Grandmothers Day" and to take the form of a picnic. A dainty lunch was served at the close of the meeting.

**Steel Strikes Dominates News**

This week the basic steel strike reached top place in Canadian labor news. At two of the steel plants in Sault Ste. Marie and Sydney in Nova Scotia, the effect of the strike seemed to be 100 per cent. However, at the Hamilton works there were continued reports from the union and company as to the strike's effect.

Ramon Park, publicity director of the C.I.O. United Steelworkers Union, claimed the walkout was 85 per cent effective with not more than 200 men made the plant at the beginning of the week.

On the other hand, the company claimed towards 2,000 men and two-thirds normal production, although the company started a planing strip on company property, the pickets were not worried.

The Steel Company of Canada has declared the workers showed defiance of the government in calling the strike after the federal administration appointed a controller to take over the government property, provided for refusal to obey the controller's orders. It was not known whether the workers would apply these penalties.

In his early remarks Mr. King, on the Jarvis Business men's presentation A. L. Miller with a Cigarette Tagger and fifty cigarettes, connection with the installation of the lights.

Except for one inning, the disastrous seventh, the All-Star game was nip and tuck all the way through. Jarvis was in favour of the locals up until this point, noticeably weakened and retired in favour of the visitors. Jarvis struck five hits. Up until the seventh inning Jarvis allowed ten hits and walked five. Banks fanned three, passed two and allowed six runs. Jarvis committed a total of seven errors, while Jarvis made a clean sheet in this respect.

**SCORED BY INNINGS:**  
Jarvis 1 0 0 0 4 8 10 — 16 7  
Townsend 1 0 1 0 0 1 0 — 3 9

During the game a draw was made for the lucky admission ticket. Mrs. Charles Hackett of Hagerstown, Jarvis, had walked four and allowed 1248. The prize was a large basket of groceries.

**Chief Urges Caution When Burning Rubbish**

Fire Chief W. J. Elliott thinks the more care could be exercised by citizens when burning rubbish. He suggests that fires of this sort be left until the evening when the wind usually blows down. The grass is particularly dry and the possibility of a fire spreading is dangerous.

The fire loss record in the Village over the past ten years has been particularly good and the Chief is anxious to maintain that record. We suggest therefore that all citizens take his advice and exercise every caution when burning rubbish.

**Local Items of Interest**

**PEA HARVEST COMPLETED THIS WEEK**

Said to be one of the best pea producing years in the history of the Province, local vintners closed down early this week after threshing the heaviest crops ever recorded in this area. The average yield this year was better than two tons per acre with constant yields from nearly all fields. During the peak the canning plants experienced difficulty in processing fast enough as the peas rolled in from the vintners.

Peas have been grown locally since 1929 when two vintners were set up in this area. One is located on the Jarvis Road and the other at the Ed. Payne farm. One also operated at W. R. Hodges for some years. The crop has produced good returns to the growers over the year.

**On The Farm Front**

**High School Entrance Results**

Following are the names of candidates successful in passing the Jarvis High School Entrance Examination:

**JARVIS CENTRE**  
Armstrong, Billy; Eakin, Richard; Bray, Harold; Chapman, Doris; Church, Ivan; Columbus, Anne; Dunlop, Reg; Greenbury, Barbara; Hodgson, Joan; Hoover, Lea; Hoskin, Walter; Lindsay, Dalph; McBride, Isabel; Grand, Lois; Ewyer, Marion (Reg. 10-5); Swartman, Marion; Vokes, Robert.

The following students of Jarvis Public School were successful in passing the Entrance Examination: without having to write the Departmental papers: Ivan Church (H); Joyce, Eileen (H); Joan Dunlop (H); Lea Hoover (H); Marion Swartman (H).

During the game a draw was made for the lucky admission ticket. Mrs. Charles Hackett of Hagerstown, Jarvis, had walked four and allowed 1248. The prize was a large basket of groceries.

**TRUCK BURNS**

A milk truck, belonging to Ernest Braund, was almost totally destroyed last week when it caught fire. The truck was out of commission at the time and their effort was confined to hand extinguishers. The Hagerstown Fire truck was called but arrived too late to prevent the damage to the truck.

On Sunday afternoon the fire alarm again sounded in the Village when the Fire Department were called to the grass fire at the rear of the local restaurant. The fire was brought under control without mishap.
