ST. PATRICK'S SOCIAL The annual St. Patrick's Social un-Walpole, will be held in the Jarvi

neid on Monday, March 25th, at the new Rural Youth and Agricultural Centre. The prize list has been brought up to date and should attract many exhibitors. The Seed Fair is being held in conjunction with the first day of the Farm and Hame

Agricultural Society. Full particulars can be secured by getting in touch with the Society of Officials. Mr. Alfred Kew, or the Department

All farmers selling alfalfa red clover, alsike and alsike white clover mixtures will not be issued participation certificates after March 31st. Haldimand farmers with seed for sale should note this and if wishing to take advantage of the certificate they should arrange to sell their seed through the proper channels previous

to the date set.

The Canadian Wheat situation is none too bright and there is every prospect that some form of rationta system. Canada's visible suppl of wheat on February 15th last was about 150 million bushels or approximately 210 million bushels less than at the same time last year. This to a rather serious situation in the light of the World Wheat shortage.

How does this affect the Haldimand farmer? Well in the first place he might have to eat a little less bread but the millfeed situation is where the pinch will come the hardest. There is a proposal that flour mills go on 80 per cent extraction. This would mean 20,000 tons less milifeeds per month. Already the Feeds Administrator has placed ar embargo on the export of all such feeds in an effort to help the situ-

Haldimand butter production in January 1946 was 99,037 lbs. as com pared with 142,110 lbs, a year ago. In the Dominion production was down 16 per cent. No wonder we
