PADRE UNVEILED MEMORIAL WINDOW

Padre S. B. East, M.B.E., M.C., minister of Wesley United Church, Jarvis, unveiled a beautiful Memorial Window in Trinity United Church, Beamsville, on Sunday morning.

The Memorial Window depicted Christ offering a golden crown to a Knight in Armour, holding his sword across his knee in patient submission. Padre East was also the speaker for the special service, which drew a very large attendance.

Schedule Drawn For Inter-County Juvenile League

During the week end, the schedule for the Intercounty Juvenile Softball League was drawn up in preparation for the league to open Tuesday, May 14th.

All games at Simcoe and Waterford will be played under floodlights commencing at eight o'clock. Games at Port Dover will be played at 6.30 o'clock standard time. If daylight time comes into effect the games will commence at seven o'clock. At Jarvis the schedule will open with daylight games commencing at the same hours but as soon as their floodlighting is completed, games will be played at night commencing at eight o'clock.

The schedule will open on Tuesday, May 14th, with Simcoe at Waterford and Port Dover at Jarvis. All games will be played on Tuesdays and Thursdays with each team playing at home and away once each week. A double schedule will be played, each team playing the other four times, twice at home and twice away.

Following is the schedule:

Tuesday, May 14 — Simcoe at Waterford; Port Dover at Jarvis.
Thursday, May 16—Jarvis at Waterford at Port Dover.
Tuesday, May 21—Simcoe at Port Dover; Jarvis at Waterford.
Thursday, May 23—Waterford at Jarvis; Port Dover at Simcoe.
Tuesday, May 28—Simcoe at Jarvis; Port Dover at Waterford.
Thursday, May 30—Waterford at Simcoe; Jarvis at Port Dover.
Tuesday, June 4—Simcoe at Waterford; Port Dover at Jarvis.
Thursday, June 6—Jarvis at Simcoe Waterford at Port Dover.
Tuesday, June 11—Simcoe at Port Dover; Jarvis at Waterford.
Thursday, June 13—Waterford at Jarvis; Port Dover at Simcoe.
Tuesday, June 18—Simcoe at Jarvis; Port Dover at Waterford.
Thursday, June 20—Waterford at Simcoe; Jarvis at Port Dover.

LAYMEN CONDUCT CHURCH SERVICE

The Laymen of Wesley United Church had charge of the service last Sunday morning, when the Minister was the special speaker at the unveiling of a Memorial Window at the Beamsville United Church.

Mr. George Walker conducted the service. Dr. R. B. Hare of Simcoe spoke regarding the Ministers' Pension Fund Campaign now underway throughout Canada and outlined in detail the importance of the undertaking to the future of the Church. The sermon was taken by A. L. Miller. The feature of the service was the all-male choir under the direction of Miss Meta MacMurchy. The choir consisted of eighteen voices who volunteered for the special service.

LORD'S DAY ALLIANCE REPRESENTATIV TO BE MRS. BERTHA MADDEN

The Lord's Day Alliance is represented in our community this year by Mrs. Bertha Madden.

This organization is recognized widely as one performing valuable national and community service in safeguarding the national weekday of rest for Canadian workers, and the freedom of our Canadian Sunday from commercial exploitation. The opportunities for Christian worship and spiritual culture are likewise important, but these are questions for individual decision and attitude. In any event the leisure and quiet of this one day of the week are of real value, individually and collectively."

—o—

Nursing Reserve Class Receive Graduation Pins

Before a group numbering nearly one hundred, the ten graduates of the 1946 Jarvis Red Cross Nursing Reserve Class received their graduating pins on Monday night. The ceremony took place at the Red Cross Rooms in the Public School. Mrs. Newton Marshall, instructress, introduced the graduates and the pins were presented by Mrs. Dewar, head of the Nursing Branch of the Ontario Division of the Canadian Red Cross Society.

Rev. R. H. Brett, President of the Jarvis Branch of the Red Cross had charge of the ceremony and speakers included Major The Rev. S. B. East, Rev. W. H. Fuller, and Miss Norah Cunningham, Senior Nurse in the Haldimand County School Health Unit.

Rev. Mr. East spoke regarding the service of the Red Cross Hospitals overseas and the great work they did for the wounded and suffering during the war. Rev. Mr. Fuller congratulated the class on their efforts. Miss Cunningham outlined the work of the County Health Nurses and the achievements during the past year. Following the ceremony refreshments were served by the graduating class of 1945.

Mrs. A. J. Smitherman gave a humorous reading which was much enjoyed.

The 1946 graduates included: Mrs. James Brown, Mrs. Philip Colwill, Mrs. Allen Cameron, Mrs. Edgar Machell, Mrs. Hugh Montgomery, Mrs. Harold Minelly, Mrs. Edward Stire, Mrs. Bruce Robinson, Mrs. Robt. Lysch, and Miss Marie Walsh.

Five-Day Week for Farmers

— By Lewis Milligan —

"Are you in favor of making any provision to give farmers a forty-hour week ?" That is a question put by H. C. A. Hervey, an Alberta mixed farmer, to employers and labour union members. In a letter to the Edmonton Journal, Mr. Hervey, who claims to be a veteran of two wars, says he was surprised to read that the question of a forty-hour week was to come up shortly for discussion in Alberta, and he suggested certain other questions for consideration.

Assuming that everybody would be in favor of a five-day week for farmers, Mr. Hervey asks: "Will any one of you produce or invent a cow that can be persuaded to take a milking holiday from Friday afternoon at five o'clock, until Monday morning at eight o'clock ?"

Then there are the pigs, and Mr. Hervey wants to know if anyone can "produce or invent a pig that will not squeal, and will be perfectly content to do without being fed all Saturday and Sunday ?"

"What about the hay and grain," continues this perplexed farmer, "will someone arrange to have the rain held back on Saturday and Sunday ? What about our boys who, after years of overseas service, have returned to our mixed farming areas to an eight-hour week ? Are they to be paid for forty hours only, or are they to be paid time and a half for the other forty hours ? If so, who is going to pay them, and from what source is the money coming ? Will a forty-hour week on the farm mean two shifts ? Will two shifts mean fifty per cent increase in the farmers' costs ? If so, will you city boys agree to pay the farmers prices to cover this increased cost ? Will you pay 60c a pound for good beef, 60c a pound for butter, 70c a pound for bacon and guarantee to take all the farmers' produce at these prices ?"

The trouble with Mr. Hervey is that he asks too many questions, of which the above are only a few. He knows right well that neither employers nor labor leaders can produce or invent the kind of accommodating cow or pig he describes, and that the mighty power wielded by a John L. Lewis could have no influence whatever on the weather.

But his other questions are by no means rhetorical. He asks, for instance, "If the costs of processing are increased by the adopting of a forty-hour week, who is going to stand the increased cost ? Who is there to stand it except the producer ?" and he wants to know "Why are we farmers so dumb as to sit still and see this developing right under our noses ?" "Are the farmers going to speak up, or are they again going to leave it to the usual dog-fight between the processors and the professional labor leaders ?"

It would really be too bad for city people if the farmers were to join in this labor union movement for a five-day week, and it would be a national and international calamity if they were to go on strike to enforce their demands. But they have just as much right to do that as the labor unions. It is fortunate for the country that the average farmer is a man of common sense and is not easily led into extreme action by wild promises of something for nothing.

Mr. Hervey concludes his letter with the following words of plain horse-sense: "As one who has seen something of the suffering in Europe, I am worried, as I realize that we will find ourselves in the soup, unless farmers, industrialists, businessmen, employers, labor leaders, in fact all of us, cut out a lot of this nonsense and wake up to the fact that work, and work only on the part of all, is the basic solution for prosperity and happiness."

Other District Municipalities Make Change This Week-end

In keeping with the policy being followed by all other municipalities in the district the Village of Jarvis will adopt Daylight Saving Time commencing at 12.01 midnight, on Saturday next.

Jarvis had decided to stay on Standard Time, along with Simcoe, Port Dover, Selkirk and Fisherville, despite the fact other towns in the County adopted Daylight Saving some two weeks ago. During the past week, however, a move was made in Simcoe and Port Dover to adopt Daylight Time which was acted upon by the respective councils. Jarvis therefore was left with no alternative but to adopt Daylight Saving Time.

While generally speaking Daylight Saving will be welcomed by most Villagers there are nevertheless many farmers who oppose the change in time. Others seem to have no fixed opinion on the policy that should be adopted in the interests of the greatest number.

In order not to miss church next Sunday all citizens should remember to advance their clocks by one hour on Saturday night.

—o—

R. J. STALLWOOD GOES TO WINDSOR

Major R. J. Stallwood, of Tillsonburg and formerly of Jarvis, who recently returned from overseas is now associated with the Veteran's Land Act section of the Department of Veteran's Affairs and is located at Windsor.

Formerly on the staff of the Ontario Agricultural College as a specialist in Tobacco, he was located at Tillsonburg prior to the war. He served overseas for a year and a half. It is understood his wife and family will move to Windsor as soon as owning accommodation is available.

—o—

Under the . . . Floodlights

Little has been heard so far this week concerning the progress of the waring factions in the development of a strong softball league for the district. But there has been some progress in the installation of the floodlights in the Jarvis park.

The six, fifty-foot poles which will carry the lights have been set up and new hope is therefore revived that possibly the lights will be going before the snow begins to fall. The latest report is that the lights will go on before the 24th of May, and it looks as though that may be soon enough to accommodate the league schedule.

Charlie Butts, Manager of the local team last year, is still showing his interest in the kids and has entered a juvenile team which will compete with Simcoe, Waterford and Port Dover. This is the kind of stuff that makes ball players and now hope is revived that Jarvis may some season soon have a reasonably good team in the older class.

- - - - -

Park Commissioner Hill has had a dozer bulling around the park this week straightening out the bumps in the outfield so none of the outfielders will bruise their toes while trying for flies this season.

- - - - -

Dave Banks, manager of the Jarvis team, is not going to lose out this season for lack of practise. He has his boys up to Simcoe under the flood lights on Tuesday night for a workout with a Simcoe team. He will probably be accused of taking unfair advantage of his opponents, if and when he finds he has opponents, if and when the local league gets under way.

—o—

PLAN CAMPAIGN OF CLEANER MILK FOR CHEESE FACTORIES

A programme for the production of cleaner milk for the making of cheese is being given first consideration by the Dairy Branch of the Ontario Department of Agriculture, reports C. E. Lackner, Director of that branch. "In order to hold and expand our export markets for cheese we must produce high quality clean cheese," says Mr. Lackner. "With the educational programme for clean milk this year, it is expected that the milk will be sufficiently improved in the season so that it may be possible to introduce legislation in 1947 providing for the rejection of low quality milk containing excessive sediment, without a great loss to producers. Legislation of this kind at present would result in the rejection of a large quantity of milk, with a loss to many producers. With sufficient publicity and educational work this year, this loss to producers can largely be prevented.

"Legislation is being considered for the rejection of low quality milk going to manufacturing plants such as cheese factories, creameries, condensed and powdered milk plants and milk separating plants. The Ontario Cheese Producers' Association and the Concentrated Milk Producers' Association are giving us their full support," says Mr. Lackner, "And are helping the programme this year by supplying some of the information available to their members."

INSURANCE AGENTS FORM ASSOCIATION

The Insurance Agents of Haldimand County held a meeting on Tuesday night for the purpose of forming an Insurance Agents' Association. Officers elected were: W. J. McCarthy, Hagersville, President; Miss Jean MacGregor, Caledonia, Vice President; Geo. W. Walker, Jarvis, Secretary Treasurer.

The purpose of the local Association is generally to improve service to policyholders. The group is automatically affiliated with the Ontario Insurance Agents' Association.

—o—

VARENCY W.I.

Members of Varency Women's Institute spent a very enjoyable evening at the home of Mrs. Arthur Ball on Thursday, May 3rd.

The President, Mrs. Ivan McKenzie, conducted the meeting and the special collection toward the Cancer Fund will be continued next month that all may have a chance to contribute. The Farmers' Picnic to be held at the former Kohler Airport, now Cayuga Youth Centre, on May 30th was discussed and plans were made for attending the District Annual meeting, also at the Youth Centre, on June 7th. A good attendance is hoped for at both these events.

Community singing and piano music by Louise Miller and the Misses Eloise and Florence Ball enlivened the program. In the absence of Mrs. Frank Saunders the Standing Committee report on "Agriculture and Canadian Industry" was given by Mrs. George Saunders and Mrs. Ball explained the Veteran's Land Act, comparing it with the Soldier's Settlement Act which followed World War 1. The topic "How to Make Rural Life Attractive to Young People" was very ably dealt with by Mrs. Dan Kendry. Mrs. R. A. Miller taught a simplified lesson on "Smocking" after which the hostess served a very dainty lunch.

Mrs. W. E. Craddock offered her home for the June meeting, which owing to other rural meetings, will not be held until June 13th. Lunch Committee, Mrs. W. R. Hodges, Mrs. Kenneth Saunders.

—o—

SANDUSK W.I.

The Sandusk W.I. held their monthly meeting May 2nd at the home of the President, Mrs. Wm. Nichol. The meeting opened with the Institute Ode, Lord's Prayer and Creed. After the Roll Call the minutes of the April meeting were read and adopted.

Business being attended to, Mrs. Bert Awde of Hagersville, gave the Motto. The topic, "Make Rural Life Attractive for Young People" was given by Mrs. E. S. Pond. Progressive study was given by Mrs. Earl Bousfield.

A letter from a member of an English Womens Institute was read by Mrs. Hartley Pond telling different things they do in their Institute.

The June meeting will be held at the home of Mrs. Leo Mulkins.

DEARER MACHINERY

The general categories of Canadian-made farm machinery and parts subject to the recent increased highest retail price ceilings by 12½ per cent are planting, seeding, and fertilizing machinery; ploughs; tillage implements and cultivators; haying machinery; harvesting machinery; sundry machines for preparing crops for market or use; farm power machinery; farm wagons; trucks and sleighs; dairy machines and equipment spraying equipment and dusters; domestic water systems and pumps; barn and barnyard equipment, and miscellaneous equipment.

—o—

BIRTH

CHURCH—In the Village of Hagersville on Tuesday, May 7th, 1946, to Mr. and Mrs. L. K. Church, of Walpole, (nee Margaret Marr) a daughter. (Margaret Elayne).
