

SCHOOL TRAINS JAP GIRLS 'AMERICAN-STYLE'

To make living smoother for American servicemen and their families in Japan, U.S. authorities, aided by the Japanese Foreign Ministry, have opened a training school in Tokyo where girls are graduates. The 100 students take English lessons, learning American cooking, the best service and general housekeeping techniques. A girl must successfully complete the one-month course before she can work as a housemaid. Photos below show typical scenes at the school.

Students learn how to make a bed American style, with carefully squared "hospital" corners on sheets and blankets.

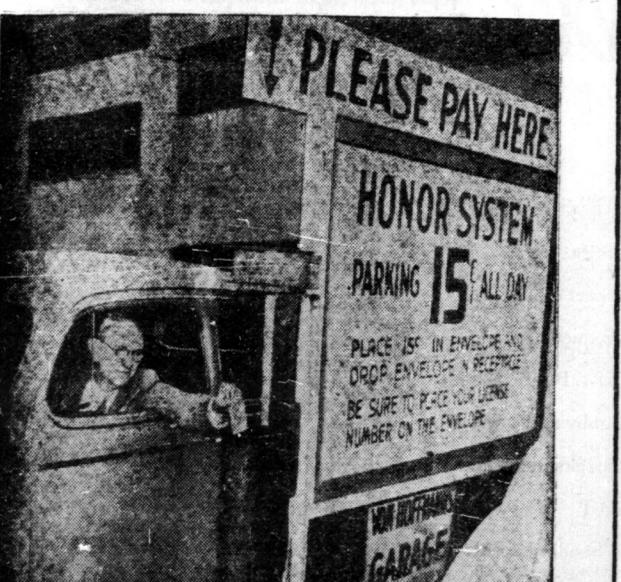

"Always serve from the left," says the instructor as she shows how an American style table is set and the meal served.

HE ALONE SURVIVED

Ble survivor of the plane crash at Elko, Nev., that killed 81 persons was Peter Link, two years old, who was found crying wildly at the edge of the burning wreckage and taken to Elko hospital for treatment. Victims included Peter's father, mother and baby sister.

FLASH! PEOPLE ARE HONEST!

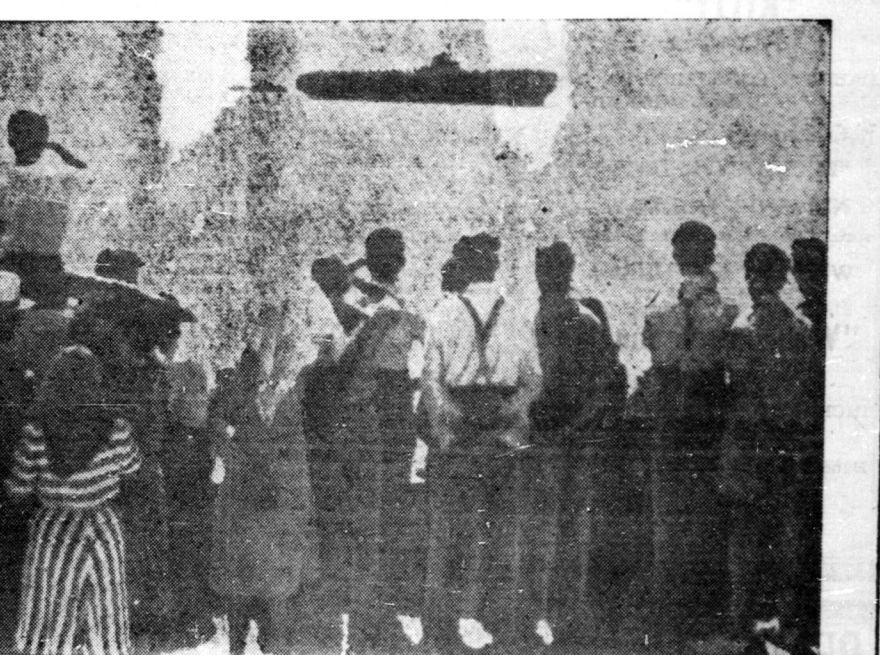

Cynics get a setback in the experience of Lewis A. Drury of St. Louis, Mo., who, in three years of operating two "honor system" parking lots, is convinced that 95 per cent of his fellow-citizens are honest. To pay for parking, drivers just put the money in an envelope and drop it in a receptacle, as demonstrated above by Louis A. Zimmerman.

DIVIDED GERMANY WHERE BYRNES SEEKS UNITY

Calling for an economically united Germany in his recent Stuttgart speech, Secretary of State Byrnes reiterated that the Potsdam agreement for economic unity was not and is not being carried out. Map above shows chaotic conditions that prevail under independent four-power rule. In his speech, Byrnes opposed separation of the Ruhr and Rhineland, for which France has held out, blocking unity. Byrnes declared U.S. would cooperate with any ally seeking unification. Britain long ago proposed economic merger of its zone with that of U.S. but other occupying powers have held aloof. British are restless under knowledge that much of their short food and clothing supply is going to their occupation zone. Because of Soviet zone's self-sufficiency, Russia has great advantage over other Allies.

CARRIER ROOSEVELT ARRIVES IN TROUBLED GREECE

Crowds of curious Greeks jam the docks at Piraeus, the port to Athens, to watch the mighty USS Franklin D. Roosevelt, America's newest carrier, come to anchor. The F.D.R. arrived in Piraeus for a four-day visit on Sept. 8.

SHE LIKES ANIMALS

Wherever she lives, Florence George, blonde opera singing star-in-law of Bing Crosby, manages to collect what amounts to a private zoo. Above, she poses with part of her current Hollywood menagerie. Among the 100 birds in her aviary is a South American toucan, which she insists gives vent to a perfect wail-whistle when a pretty girl's around.

SWEDEN TO UN

Swedish Foreign Minister Olof Palme was named his country's delegate to the UN after Sweden had been voted membership by the Security Council, meeting in New York.

'CHOICE IS YOURS!' Maxwell House gives you the same marvelous coffee blend, whether in Super-Vacuum Tin (Drip or Regular Grind) or Glass-Lined Bag (All Purpose Grind).

U.S. Proposes United States of Germany

Secretary of State Calls For Provisional Government

Speaking to the German people at Stuttgart last week, United States Secretary of State James F. Byrnes, warning that Germany must not become a pawn in an east-west military struggle, called for immediate establishment of a provisional, central German government.

He proposed a German national council to conduct the nation's affairs under Allied control and prepare a constitution for a permanent, federalized "United States of Germany."

ALL ASHORE THAT'S GOING ASHORE

Following are highlights of Mr. Byrnes' address:

It is not in the interest of German people or in the world peace that Germany become a pawn in a military struggle.

A crowd, estimated at 2,500 people, joined together at the Jarvis Athletic Park last Thursday afternoon to pay tribute to the men and women from the Township of Walpole and the Village of Jarvis who served in Great War II, 1918-45, and to acknowledge with contrite hearts the monumental record of the fifteen men who did not return.

The program opened with a patriotic song by the Boy Scouts and Girl Guides, who formed up at the Jarvis Public School and marched to the park headed by the Flag-errant Citizens Band, resident in the Jarvis Public School building, and led by the Jarvis Public School Band. The school children formed up in front of the platform in the center of the park which faced rows of seats with accommodation for 2,000 people. The band then returned to the park entrance and brought in the veterans of Great War II, followed by the veterans of the last war, the guests of honor. As the veterans approached they were greeted with enthusiastic cheers until they were seated in their seats.

Let us then return to the Jarvis Athletic Park last Thursday afternoon and brought in the veterans of Great War II, followed by the veterans of the last war, the guests of honor. As the veterans approached they were greeted with enthusiastic cheers until they were seated in their seats.

War Services Personnel Reception Extended From Jarvis And Walpole

Earl Catherwood, of Walpole Township, Walpole, made the presentation to the War Services Personnel. Mr. Pond shook hands and presented each of the men with their gifts of a watch, silverware or a ring. He also spoke briefly of the appreciation of the community in the cooperation of all elements of the community in making the reception such an outstanding success.

Mr. Elvin S. Pond, Reeve of the Township of Walpole, made the presentation to the War Services Personnel. Mr. Pond shook hands and presented each of the men with their gifts of a watch, silverware or a ring. He also spoke briefly of the appreciation of the community in the cooperation of all elements of the community in making the reception such an outstanding success.

It is not in the interest of German people or in the world peace that Germany become a pawn in a military struggle.

Welcome Home

L/Sgt. STAN BURDITT One of the first to go overseas and one of the last to return, L/Sgt. Stanley Burditt, arrived home at the Jarvis Athletic Park last night. He is expected home today. Mr. Burditt served with the Royal Canadian Engineers.

Necessary To Continue Using Wooden Pipe Line -- Ottawa

As a result of persistent rumours heard in recent weeks to the effect that a steel pipe line would be laid from the lake to the Hagerstown Airport to replace the present wood pipe line, which has been the source of much trouble to farmers as a result of leaks, local authorities have requested Mark C. Senn, M.P. for the district, to ascertain if there was any foundation for the rumour.

Mr. Senn has for acknowledgement to his enquiries a letter from the Deputy Minister for National Defence (Army), from which the following is taken: "It will be necessary to continue using the six inch wood stave pipe line for the present. While it must be agreed that this is not altogether satisfactory, present difficulties render any other action impossible at the moment. In the meantime the Department will continue maintaining the line, taking whatever action is possible to eliminate troubles."

The possibility of a steel line being laid brought up the matter once again of the Village seeking a source of water supply from this line. While a waterworks project was being considered here more than a decade ago, there is a strong feeling by many citizens that every effort should be made to develop a waterworks plan should be made. It was with this thought in mind that local authorities made enquiries concerning the pipe line presently supplying water to the Hagerstown Airport.

The Pictures In This Issue

The Record is indebted to the Hamilton Spectator for the layout of pictures in this issue relating to the Presentation and Reception to war services personnel at the park last Thursday. Bruce Murdoch with his camera captured many scenes that in years to come will recall one of the important events in the history of the community. We acknowledge with thanks the kindness of the Spectator in making these pictures available to us.

As the School Children of Walpole and Jarvis marched to the park last Thursday afternoon for the reception and presentation to service personnel, the parade was halted at the Sanduski School reached the Cenotaph. A basket of flowers was placed there in honour of the memory of Earl Bray, a former pupil of the school, who gave his life in Great War II. Sgt. Bray served with the R.C.A.F.

Head of the Wheeler Fishery at Selkirk he was well known in the Township of Hagerstown, Hamilton County. He was a former member of the Walpole and Jarvis Community Council and served as Deputy Reeve. He was a member of Hiram L'Vige A.F. & M. Hagerstown, Hiram Lodge of Perfection, Rose Croix Chapter and Moore Sovereign Consistory, of Hamilton.

The late Mr. Wheeler is survived by his wife, Ernie May Wheeler.

Decorations Gave Reception Gala Atmosphere

The efforts of the local Nursing Reserve class in assuming responsibility for putting up decorations for the reception to the War Services Personnel last week, came in for considerable praise. The girls strung colored pennants across the street along the entire parade route and in addition decorated the speakers platform at the park. The entire undertaking represented considerable work but for the effort.

Walter Wheeler Passes Suddenly

Walter H. Wheeler of Selkirk passed suddenly on Tuesday evening at St. Joseph's Hospital in Hamilton. He was in his sixty-sixth year.

Head of the Wheeler Fishery at Selkirk he was well known in the Township of Hagerstown, Hamilton County. He was a former member of the Walpole and Jarvis Community Council and served as Deputy Reeve. He was a member of Hiram L'Vige A.F. & M. Hagerstown, Hiram Lodge of Perfection, Rose Croix Chapter and Moore Sovereign Consistory, of Hamilton.

The late Mr. Wheeler is survived by his wife, Ernie May Wheeler.
