JUNIOR JOTTINGS

(intended for last issue)

This past week a committee, appointed by the Junior Farmers and prepared rules and regulations relative to awarding the Judging Trophies at the Annual Livestock Judging Competition to be held on Wednesday, June 11th, when every boy in the County between the ages of 12 and 28 years should be present to compete.

The regulations approved of after long and careful consideration are: 1. Where an individual is high man for two or more trophies he will automatically accept the trophy rating higher in order of precedence and the standing on the second and any others won.

2. That all trophies must be won twice in succession or won three times in competition not in succession to become the property of any individual. A win twice in succession takes precedence over three times winning not in succession if a trophy won twice in succession but if on the second time the individual wins another trophy and gets the standing only in the first instance he will not then be eligible to become the owner of said trophy until such time as he wins it the third time.

3. The above rules and regulations are effective and become applicable as of the date of the Judging Competition of 1947. Any contestant who had already won a cup in the past year under the above regulations will be presented with a suitable reward in recognition of same.

To-morrow is not yours, and it is very uncertain if it ever will be. To-day is God's time, so get out of here to-morrow - here today, perhaps gone to-morrow.

HOW ABOUT SANITATION?

One of the most important branches of private enterprise serving the general public is the restaurant. Quite often it is a treat to eat "out" just for the change, but how many eat-ers measure up to a truly first class standard from a viewpoint of sanitation and preparation?

News of the Countryside

From The Record's Correspondents

WEDNESDAY
The Institute meeting for June. Wedding bells are ringing in this vicinity this week.

WEDNESDAY
Miss Agnes McCavill, R.N., of St. Joseph Hospital, Hamilton, is spending her holidays at the home of her parents Mr. and Mrs. H. McCavill.

HAGERSVILLE
Rev. Henry Brand, 82-year-old retired minister of the United Church of Canada, died May 29th at his home after a week's illness. A native of England, he had lived in Hamilton since his retirement in 1928. During his ministry he held charge throughout Central Ontario, including Caledonia, Jarvis and Port Dover. Prior to his death he had been suffering from a heart ailment. Surviving are his widow, a son, Harold of Toronto, four daughters, Olive of Winnipeg; Ida, Mrs. Donald Stewart of Toronto; Mrs. Clarence Douglas of Brantford, and Miss Annie Brand of Nottingham, England, also survives.

CORN FOR GRAIN
The continued wet weather of the past few weeks has delayed seeding in many areas throughout Ontario and farmers are now confronted with the problem of producing sufficient grain for their own requirements. Hybrid corn offers a partial solution to this problem. Early maturing hybrid varieties has made it possible to produce grain of this crop over a wide area. Yields comparable to oats and barley may be expected and greater yields are possible as the season advances and it becomes too late to sow oats and barley. Considering the higher weight per bush of lower fibre content and total digestible nutrients, this grain is worthy of greater consideration.

Those who plan on planting hybrid corn should make sure that the variety which they obtain will mature in their district. The maximum feeding value of ear corn can be obtained only from grain that will be harvested and stored in a well-ventilated barn. Early maturing varieties of hybrid corn which mature in 80 to 90 days are recommended for late seeding, including the following:
For Eastern Ontario, including Frontenac and all counties east: Canada No. 275, No. 279, and No. 355.
For the Quinte District, including Ontario County to Lennox and Addington: Canada No. 275 and No. 355.
For the counties between Lennox and Erie and Lake Ontario, including Oxford, Brant and southern portions of Huron, Perth, Waterloo, Wellington, Halton, Peel and York: Canada No. 275 and No. 351.
The remainder of Southern Ontario, including Bruce, Grey, Simcoe, Dufferin and the northern portions of Huron, Perth, Waterloo, Wellington, Halton, Peel and York: Canada No. 275 and No. 355.

Conditions most favourable to corn growing are high temperatures and a long growing season. The crop responds to favourable moisture conditions and prefers a fertile, deep loam soil. Corn for grain should be planted as early as possible in order to take advantage of the full growing season.

Hybrid corn must not be planted too thickly. A good objective in hill planting is to have three plants per hill and in row planting about one plant per foot as the final average stand. At this rate of planting, one bushel of seed should be sufficient for 6-10 acres, therefore the initial bushel of seed should be very low. Farmers requiring seed should contact local seed dealers, your agricultural representative or the Crops, Seeds & Woods Branch, Parliament Buildings, Toronto.

Corn is a seasonal crop for the livestock farmer. When unfavourable weather lowers the yields of other crops, corn will often do well other crops which grows a fair acreage is always sure of plenty of feed for the cow or both.

For full yield and best quality grain, the corn must be well matured before killing frost, therefore too much emphasis cannot be put on the importance of selecting a variety

UNITED CHURCH NOTES
CEMETERY DECORATION
FLOWER SUNDAY
These special services are planned for Wesley United Church on Sunday next to observe "Flower Sunday" at 11 o'clock with floral decorations by the Pious Club and a special part to be played by the Junior Congregation, a "Flower Service" will be conducted by the minister in the Church.

At 12 noon, a Memorial Service will be held at the Cemetery. Friends wishing to bring their cars into the Cemetery grounds for this service are permitted to do so in previous years.

At 7.30 P.M. Capt. Rev. Donald Elmslie will occupy the pulpit for the evening service. Capt. Elmslie comes to Wesley Church, highly recommended, as one of the coming year of the United Church of Canada.

The W.M.S. of Wesley United Church will hold a special meeting on Tuesday, June 17th in the Church at 2.30 P.M. All ladies are specially requested to attend. A good program is being prepared with Mrs. Mansford of Hagerstown as guest speaker.

ANGELICAN CHURCH NOTES
Owing to the Jubilee meeting of the W.I. of Varenay, the W.A. of St. Paul's Church has decided to postpone their Jubilee Tea on the 12th to the 19th of June.

The Jubilee picnic of St. Paul's congregation will be held on July 10th. All members and their friends are invited. The place chosen is the Forestry Station at St. Williams.

St. Paul's W.A. meeting for May met at the home of Mrs. R. H. Brett. Devotions were taken by the Rector, General houses disposed of, arrangements were made for the Jubilee Tea to be held on June 12th at the Parish Hall. The title given to the tea is "St. Paul's Jubilee Lique Tea". The meeting concluded by prayer by the Rev. R. H. Brett. The hostess served a very dainty supply of refreshments, which was much enjoyed by all present.

The service of Confirmation will be held at Christ Church, Nanticoke, on the Fall, classes will be held in two periods Summer and Fall.

It has been proven by actual tests to be adapted to the district.

Junior Jottings

The Farmers' Picnic was a grand success in every way, for the Junior Farmers and Junior Institute who shared equally in the work and financial returns of the refreshment booth. It was a strenuous but a financially beneficial day.

Unfortunately sufficient supplies were not obtainable to offer a choice on any item toward the end of the day but never was a customer turned away if he or she could relax good gayer ale. Congratulations are in planned and "courteously" executed. To the public, the Juniors say "Thank you for your patronage and your understanding when supplies were sold out."

On June 11th, a large turn-out of Juniors is looked for to compete in the Annual Judging Competition. Notices have gone to the Juniors and the many valuable prizes should be attractive to all.

Results of the contents are showing up in many ways, the latest being the request for boys having stood high in former years, to go to adjoining counties to act as judges in their competitions. Ivan Hedley accepted in this capacity in Woodworth County, while Murray Coveale and Roy Hedley did likewise in Welland County recently.

Humboldt has witnessed two fine (drama) festivals which is typical of the surging interest in the arts all across the country. It is too bad that the performers taking top honors do not receive something more for their efforts to give them further training and greater encouragement. —Humboldt (Sask.) Journal
