splendid paper on the benefits of a Dental Health Unit was given by Mrs. M. Henning. Mrs. Pratten told how to press a coat. It was decided that each member bring something in the line of food to the next meeting to be used in packing a box last week in March or first week in April.

The matter of having the Town Hall taken over by the Council, and made into a community hall was brought up again and a committee visited the council on Saturday and we are pleased to report that the Council was in favor of taking over the project.

Mrs. Pratten gave an outline of the meeting in 1905 when the Institute was organized, the first President being Mrs. Frances Parrett and Miss M. E. Kenny the first Secretary.

Lunch was served by the hostess and a vote of thanks was given her for her hospitality. The next meeting will be held at the home of Mrs. Harry Evans.

to be sent to Britain. Mrs. Hare, Mrs. A. E. Doughty and Mrs. Howard Dennis, gave a very interesting account of their visit to Kohler the day before. Special mention was made of the supper dishes being exhibited by the girls.

It was decided to have a play put on by the Jarvis Fireside Club the

ST. PATRICK'S DANCE

The St. Patrick's Dance and Card Party sponsored by the Ladies of St. Ann's Church, Walpole, in the Town Hall on Monday night was the usual big success. The Town Hall was packed to capacity and a good time was reported by all present. The Jarvis Orchestra supplied the music for dancing and again most favourable comments were heard regarding our local musical organization.

This Week - -

Specially written for the Record

— By Edward Chaitler —

Canadian Press Staff Writer

Toronto, March 26 - (CP) - In robes hastily borrowed for the emergency occasion, James de Congalton Hepburn, 69-year-old coal and grain dealer of Picton, this week assumed the office of Speaker for the Ontario Legislature.

His election was the climax to an unprecedented flurry caused by the resignation of William J. Stewart, Progressive Conservative member for Toronto Parkdale, as Speaker for the House.

Following an exchange between the chair and Highways Minister Doucett regarding admission tickets to the Speaker's Gallery, Mr. Stewart said he felt the dignity of his office had been offended and tendered his resignation to the government

In a later statement sent to leaders of the four political groups in the House, Mr. Stewart said his resignation resulted from "recurring incidents" and his own experience that it was the duty of the Speaker to guard against "usurpation" of his rights.

East Toronto's Malvern Collegiate activity Monday as students marked "yes" or "no" ballots for a strike—culmination of the board of education's action last week in ousting tousle-haired, 56-year-old Lorne Clarke as principal.

When the votes were tallied, 1,500 students had agreed to strike (minus pickets) and to go home and conduct themselves in an "adult manner" while awaiting Mr. Clarke's reinstatement.

Pleas by Mr. Clarke to pupils to remain in their classrooms went unheeded. So did an appeal by Mrs. Isabel Ross, chairman of the board.

A second appeal by the chairman for parental back-to-school pressure met with mixed reception. Tuesday the board charged that the principal had shown himself unable to discipline or control the student body and announced his immediate suspension from the city's teaching staff.

Following a secret session last week, the board said Mr. Clarke was removed as Malverton's principal for his system of "indiscriminate promotions, complaints of truancy and staff dissatisfaction." The board said at that time he would be made head of a school department.

- - -

Nobody has yet invented a cow "that doesn't need milking seven days a week" Howard Downham, Strathroy dairy farmer last week told the Board of Evangelism and Social Service of the United Church.

While there has been a generalclamour for higher wages and fewer working hours for urban workers, Mr. Downham said farm work in his township was going done mainly by men sixty years old and "they are very tired."

More people were leaving farms and returning servicemen were not going back to rural districts.

"The world," he said, "will be a lot hungrier than it is today unless we do something about getting people back to the land."

The opening gun for the "Seven Gift Fund" drive which opened on Monday morning was sparked by a canvassers meeting in Wesley United Church Sunday School Rooms on Monday night. Thirty-seven canvassers who, during the next two weeks, will call at every home in Jarvis and the south Walpole district, heard complete details of the plan for the canvass and had outlined to them the specific needs of the various organizations included in the seven fold charity drive.

Rev. S. B. East presided for the meeting. Speakers included: Rev. W. H. Fuller, Campaign Chairman, who spoke on The Red Cross; Rev. J. M. Cameron, who outlined the work of the Bible Society and The St. John's Ambulance Corps; A. B. Blight, who told of the work of the Salvation Army; A. L. Miller, who outlined the needs of The Children's Aid Society and The Canadian National Institute For The Blind and Rev. S. B. East who pointed out the need of support to The Aid to China Fund.

"Regardless of the groundwork laid by your committee," said the Chairman, "the real responsibility in this worthy campaign is in the hands of the canvassers."

The general canvass throughout the area is being undertaken by the Jarvis, Varency, Nanticoke and Sandusk Women's Institutes. The canvassing in Jarvis will also, in part, be undertaken by a committee from The Jarvis Board of Trade.

Townsend Couple Given Surprise On Anniversary

Thursday evening, March 20th will long be remembered by Mr. and Mrs Ernest Duncan as the evening of "the big surprise." Nearly seventy of their friends and neighbours casually dropped in on them that night in honour of their twenty-fifth wedding anniversary. The anniversary date was really two days away (March 22nd) but that fact in no way marred the warmth of friendship and good will carried to this popular couple on the occasion of their anniversary.

It was a most enjoyable evening, despite the fact that the guests of honour were quite unable to get their feet back on the ground until the last parting well-wisher made his way homeward in the early hours of the morning. Cards were enjoyed and the sponsors of the event, Mrs. Alfred Walker, Mrs. John McIntosh and Mrs. Wallace Mitchell made sure that the appetites of everyone was thoroughly satisfied.

Mr. and Mrs. Duncan were presented with a beautiful living room table and a hassock. Mr. Ellis Jeffery read the presentation address and Wallace Mitchell and John McIntosh made the presentations. Both Mr. and Mrs. Duncan fittingly expressed their appreciation.

Mr. and Mrs. Duncan (the former Helen Palmerston) were married in Simcoe twenty-five years ago and have lived in this district throughout their entire married life. They have three children, Dorothy Duncan, R. N., and William and Beverley at home.

UNITED CHURCH NOTES

HOSPITALITY APPRECIATED

Miss Marion Korah and Mr. Isaac Mathunni, the two East Indian guests of Wesley Church last week end, expressed their sincere appreciation of the hospitality of the people of the Church in letters received by the Minister on Tuesday. "We thoroughly enjoyed every moment of our stay" wrote Miss Korah after mentioning the homes in which she had been entertained, the Fireside Club play and the Sunday Night gathering. "We shall not soon forget how kind and good you all were to us" wrote Mr. Mathunni, "Please remember me and my work in your prayers."

At the end of June, Miss Korah will return to take up her work in Delhi, India. Later Mr. Mathunni will return to his wife and family in the province of Travancore, South India. They will carry with them the goodwill of their many new friends in the Church.

Farm Buildings Destroyed by Fire

Two large barns on the farm of Wanley Lindsay, two miles west of Selkirk, on the front road, were completely destroyed by fire shortly before noon on Tuesday. Some machinery was saved out of the smaller barn but a wagon and manure spread or and other small articles went up in smoke. Fifty tons of hay and a thousand bushels of grain was lost in the large barn.

The Selkirk and Hagersville Fire Departments both responded to the call for help. They were only able, however, to save a small hog pen at one side of the barns. A chicken pen and forty chickens were also lost.

For a time the house was threatened but a change in the wind eliminated this danger.

It is understood some insurance was carried but entirely inadequate to compensate for the loss suffered.

Committee And Canvassers Confident Of Final Result

OBITUARY

ISABELLA EUBANK

On Wednesday, March 19th, the death of Mrs. Wellington Eubank Duxbury occurred at her home in the Village of Jarvis. She was the daughter of the late Mr. and Mrs. Henry Eubank of Gill. In 1898 she was married to Wellington Duxbury, who survives her.

They took up farming one mile west of Springvale and attended Springvale Methodist Church. They resided in Welland two years and Hagersville one year before coming to Jarvis in 1926, where they operated a General Store which they closed one year ago, due to ill health Mrs. Duxbury will be remembered by many by her kindly smile.

She is survived by one daughter, Grace, of Jarvis; one son, Henry of St. Catharines; four grandchildren; five sisters, Mrs. A. Wheeler, Hamilton, Miss Annie Eubank, Toronto, Mrs. Ruth Hind, Hamilton, Mrs. Mary Walker, Vancouver, B.C., Mrs. Edna Hambleton, Simcoe; two brothers, William of Hagersville and John of Cayuga. One brother, James, of Didsbury, Alta., predeceased her a few years ago.

The funeral services were held at Holmes' Funeral Home on Tuesday afternoon at 2.30 with Rev. S. B. East officiating. Interment was made in the United Church Cemetery, Jarvis. The pallbearers were W. J. Elliott, O. B. Hill, John Brown, Alex. Duncan, David Banks and Thos. Gee. Flower bearers were Hugh Montgomery, R. More, Geo. W. Walker and J. W. Duxbury.

The floral tributes were numerous and beautiful.

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

The upward trend in creamery butter production continued through February. The Ontario figures show a 14.8 per cent increase as compared with a year ago. In Haldimand the February 1947 make amounted to 137,464 lbs. as compared with 80,154 lbs. a year ago. This constitutes an increase of 71.3 per cent.

v v v

Creamery butter stocks were down on February 1st as compared with January 1st but higher than a year ago. On February 1st, 1947, the stocks in the Dominion were 30,948,400 lbs. The January 1st figure was 43,936,602 lbs. On February 1st, 1946, the stocks totalled 22,383,232 lbs.

v v v

All of which reminds us of the newly proposed Cream Producers Marketing Scheme. As announced in this column last week a vote of all producers of cream will be taken on the scheme between March 31st and April 1st of this year. It is believed that a number of meetings are being planned and producers should avail themselves of the opportunity of attending one of these meetings and seeing that they learn of the various phases of the scheme.

v v v

Briefly the scheme provides for the setting up of a marketing board which will have power to license operators, negotiate minimum prices, forms of contrast, conditions of sale, grades and quality, price differentials between grades, weighing and testing and transportation. The cost to the producer under the scheme will be 1-10 of a cent per pound of butterfat sold.

The coming of the summer season reminds us that unless we have already made provision for it, we should plan at once for the proper and adequate cooling of our milk. In reality the key to quality milk is proper cooling. Another point is that it is just as important to cool milk quickly as it is to cool it to a low temperature.

v v v

It is estimated that it takes approximately eight gallons of water at fifty degrees F. to cool one gallon of milk to fifty-five degrees F. and so in building that tank be sure to make it large enough. An eight gallon can of milk would therefore require approximately 104 cubic feet of water providing it was cool enough.

Sheep breeders in Haldimand will be interested in a new circular on "The Control of Sheep Stomach and Nodular Worms" which has just been issued. This circular has been prepared by Dr. A. A. Kingscote of the Ontario Veterinary College and a copy may be secured from your agricultural representative.

v v v

Dr. Kingscote points out that winter freezing will practically free all pastures of the young forms of these two most harmful of sheep parasites. It is therefore good heathers to treat the flock before turning them out on

Fireside Play Wins Acclaim

The current play "The Night Was Dark," being sponsored by the Fireside Club, and which was presented in the Town Hall on Friday and Saturday nights was warmly received by the capacity audiences on both occasions.

The play was a mystery thriller with plenty of action all the way through and the identity of the villian of the piece was carefully concealed until near the end of the third act. The cast, individually merited commendation for their characterizations.

Mr. Fred Weir, accompanied by Miss Meta MacMurchy, provided musical entertainment between acts on Friday night. On Saturday night, Mrs. Ernest Welt with Miss Margaret Doughty at the piano, led the audience in Community singing. Reeve Geo. W. Walker, and Rev. S. B. East acted as chairmen on Friday and Saturday evening respectively. The play was directed by Mrs. Margaret Parkinson who was abiy assisted by Mrs. Charles Butts.

Plans have been completed for the presentation of the play at Selkirk, Cheapside, Cayuga and Vittoria.

CARDS OF THANKS

The family of the late Isabella Eubank Duxbury wish to take this opportunity of thanking friends and neighbours for their kind expressions of sympathy during our recent bereavement. Special thanks to Dr. E. M. Jones and Rev. S. B. East.

—O—

We wish to voice our deep appreciation to our friends and neighbours for their heroic efforts in saving livestock and implements at our recent disastrous fire.

We also sincerely thank the members of the Hagersville and Selkirk Fire Departments and those who offered feed and shelter for our livestock.

—Mr. and Mrs. Wanley Lindsay
