What Is The Future of Haldimand Worth?

Old man Clutchpenny just grunted "Tell me," he rasped "what I get back for my money. This is just another excuse to gouge me for a few dollars, and give me nothing in return. I don't wonder Scrooge in return. I don't wonder Scrooge felt like he did about things. No Sir! Unless you can show me that I get some return on my investment, you might as well call off the whole thing, and save wasting my time as well as yours."

The Children's Aid canvasser looked hard at Clutchpenny for a full minute, debating in his own mind whether to really tell the old curmudgeon what he really would have liked to as a balm for his own feelings, or to count ten, and quietly explain the situation, hoping for the best. For the sake of the cause he best. For the sake of the cause he lost.
