Were day or night. The unusually warm weather this month is not making them any happier and only the prospect of a sudden change early next month will alleviate their present anxieties.

The French River camp is the destination this year and it seems that approximately fifteen male members of the local community will be absent for periods ranging from one to three weeks, depending on their stamina. The first crowd plan to leave on November 7th, headed by the veteran Bill Hodge. They will travel by private Rai way coach to the French River and proceed from that point by chartered boat to the Hermit's paradise. The less robust
