HANDS AT WORK... LEARNING TAILORING

ONTARIO'S productive capacity is the measure of her future prosperity. To assure the important tailoring industry a prominent place in the industrial life of the Province, trained hands are needed. Skill is important in the cutting, sewing, finishing and other branches of the industry. That is why veterans are being taught their various requirements ON THE JOB, by experts. The transition from apprenticeship to permanent employment means higher wages, job security and better working conditions.

Through plans sponsored by the Department of Veterans' Affairs and other agencies, hundreds of veterans have been trained in schools and ON THE JOB. They will acquire greater skill with further training and experience. Craftsmen of the future, they will have a share in Ontario's progress—an important part to play in her industrial development.

TAILORING

Leo P. Halloran, 26, of St. Thomas, a veteran of 4 1/2 years' service with the Royal Canadian Navy, is shown here gaining practical experience in the alterations department of a large Toronto tailoring firm.

Basic training in various departments of the industry gives the veteran a background knowledge, essential to sales promotion and executive work within the industry.

Mrs. Eliza Gowen was hostess to the Jarvis Women's Institute on Wednesday, September 10th. A feature of the meeting was a discussion on "School Reform" by Mrs. Laidlaw. Mrs. Carl Smith convoked the program and gave the motto "If we see no fault in our own work, we shall never improve."

Mrs. Allan Landy gave a very instructive paper describing a "Health Unit". The Roll Call was well responded to by giving a current event.

Mrs. Rose Dossier presided during the business and thanked the hostess and committee. Plans were made to hold an Apron and Bake Sale on Saturday, October 17th.

Mrs. Allan Landy offered to pack the food parcel for Britain and Canada to her home for the October meeting which will be held on October 1st in Hamilton.

The lunch committee will be Mrs. Laidlaw, Mrs. Minsley, Mrs. Harris and Mrs. Ralph Gowen.

Mrs. Leathong led in the community singing. Mrs. Allan Landy won the prize in the Flower contest conducted by Mrs. Carl Smith.

The hostess was assisted by Mrs. Robinson, Mrs. James Brown, Mrs. Carl Smith and Mrs. Hare during refreshments.

HALDIMAND JUNIOR WOMEN'S INSTITUTE

The monthly meeting of the Junior W.I. was held at the Rural Youth Centre on September 11th with eighteen present. Our Vice President, Miss Grace Vollick and Secretary, Treasurer, Miss Muriel Winger, presided. The meeting opened by everyone singing the opening Ode, followed by the Roll Call "One Place You Would Like to Visit in Canada", which was well answered with many beautiful spots mentioned.

Business of the month included the Public Speaking Course to be held at the Rural Youth Centre commencing September 22nd. An instructor has been secured from the O.A.C. Club. This course should prove educational and interesting for those who plan to attend.

Delegates in the presence of Misses Muriel Winger and Joan Dougherty were nominated to attend the Women's Institute annual Convention in Hamilton on October 16th and 17th. A delegate was also selected to attend the County W.I. Convention to be held at the Rural Youth Centre on September 29th.

The lunch committee for October include Jean Ricker, Dorothy McClintock, Miriam Ricker, Mrs. Arthur Bradford.

With the conclusion of business, the program followed.

We were very pleased in having with us as our guest speaker, Mrs. Paul Becher, County President. She gave an inspiring message emphasizing the fact that the young people of today should and have the opportunity in taking an active part and leadership in your own community activities.

The topic of our meeting "Interesting Points of Our Dominion" was prepared by MARY Parkinson, who gave a very interesting description of Canada, starting at the east coast at Prince Edward Island and travelling through to Victoria, B.C. We could follow the most interesting scenic locations of each Province through this well prepared paper.

Mary Thorsbourn gave an educational report of her trip to Ottawa last October. Judging from the report, all had a very good time.

With everyone repeating the Mizpah Benediction, our meeting adjourned. Later the boys joined us for a joint meeting with Mr. Ken for a joint meeting with Mr. Anderson presiding. Miss Muriel Winger and Mr. Donald Dabney gave a report of the week spent at a Junior Farmers Camp. They gave an idea of the activities held there. Taking Donald's and Muriel's word, they convinced us that it is well worth the time to attend this camp, proving that people can work and play together and have a good time.

Lunch was then served to all and a short dance followed, bringing our September meeting to a close.

WITH THE BOY SCOUTS

The Jarvis Boy Scouts held their first meeting of the Fall season last Friday night with sixteen present. The next meeting will be held this Friday night at 7:30 in the Bantington Hall. Each Scout is possible to pay his registration fee of fifty cents.

The bird hike to take place Saturday morning will be conducted by Dr. Henderson and will likely start at 7 A.M. There will be a paper collection in the Village on Saturday, September 27th.

...so Mary will take up nursing after all

It looked for a while as if a temporary financial problem in the family might keep Mary from finishing "High". If she had to quit school to help the family income that would have meant good-bye to her hopes of becoming a nurse.

But here she is, starting her final year. Did her Dad suddenly come into some money?

No... and yes. He consulted his bank manager, who told him how the bank, through personal loans, often helped people to meet just such situations. Arrangements were made, and now Mary will take up nursing after all.

In 1946 Canada's banks made half a million personal loans to Canadian men and women.
