MRS. BERTHA MADSEN
TO REPRESENT LORD'S DAY
ALLIANCE

The Lord's Day Alliance is repre-
sented in our community this year
by Mrs. Bertha Madsen.

This organization is recognized
widely as one performing valuable
national and community service in
safe-guarding the national weekly
day of rest for Canadian workers,
and the freedom of our Canadian
Sunday from commercial exploita-
tion. The opportunities for Chris-
tian worship and spiritual culture are
likewise important, but these are
questions for individual decision and
attitude. In any event the leisure
and quiet of this one day of the
week are of real value, individually
and collectively.

**Handling money
costs money**

It costs you more to live these days.

And it costs your bank more to provide
efficient banking service.

Bank staffs are more than half as large
again as before the war; payrolls have
nearly doubled. Taxes are up. So is the cost
of everything banks buy.

Yet you pay no more for banking service
than you did ten years ago. Today 7,000,000
Canadians are bank customers—striking
evidence of the ever-widening usefulness of
competitive banking in our national life.
