### School Re-Opens Next Tuesday

Next Tuesday will be Tuesday, September 7th to everyone but the School students who will start back to school for another year that morning. It is sometimes referred to as back to the grind but we suspect there will be a certain amount of anticipation nevertheless. There is always a certain thrill to that first morning back to school; getting a new assignment, meeting school chums in a familiar setting and arranging classes. The same staff will be back at the Jarvis Public School this year. Way back in 1947, Mrs. Myra Jones and the late Percy G. Jones, Jarvis, was in charge of the school. Mrs. Jones was in charge of the school for more than forty-five years of operation, and the pupils in these classes will go to Hagersville High School, via bus.

### Urges Driving Care This Week-End

"Every traffic rule and regulation we have, every highway sign and road marking, and every precautionary habit and precautionary Ontario road law, should be rigidly observed," declares the Hon. George H. Doucet, Minister of Highways, in an urgent warning of the traffic tragedies that always follow the heavy traffic flow on the Labour Day week-end.

"Fifteen fatal traffic accidents over Labour Day week-end meant one death almost every five hours and failed to lessen the toll last year when seventeen were killed," the Minister points out. "With this summer record traffic peaks still prevailing, grave accidents naturally is felt for the traffic accident outlook for Labour Day of 1948."

Coming at the end of the summer's heavy traffic volume, and of the holiday season rush, Labour Day is the signal for a flood of American tourists and Ontario families to start to travel. For travelling the Minister points out. "With this summer record traffic peaks still prevailing, grave accidents naturally is felt for the traffic accident outlook for Labour Day of 1948."

At the end of the summer's heavy traffic volume, and of the holiday season rush, Labour Day is the signal for a flood of American tourists and Ontario families to start to travel. For travelling the Minister points out. "With this summer record traffic peaks still prevailing, grave accidents naturally is felt for the traffic accident outlook for Labour Day of 1948."

### Host to Former School Chums

D. C. Allen was host to his former school chums at his cottage at the Lake on Wednesday, August 25th. Those present were Rev. E. W. Guelph, Rev. Howard Roberts, Leslie Will and John Angustin, of Brantford; Frank Jones, of Brantford; Mrs. Williams, of Hagersville; Hagersville, Charlie Linton, Bert Williamson, Stephen and Chris. Montague, of Jarvis.

Before leaving, they all expressed appreciation for the pleasant time spent at this year's event, the only regret being that there was another vacant table at the Norfolk Montague having passed away recently.

### Feted on 75th Birthday

A pleasant event of much local interest took place at the home of Mrs. E. A. Wright, on Sunday, August 29, the occasion being his Seventy-fifth Birthday. Guests, numbering about thirty-five, were present from London, Hamilton and district and partook of a bountiful buffet supper at 5.30 P.M. The huge table was filled to capacity and centred with the birthday cake.

Mr. Wright received several beautiful gifts, to which he replied in his usual able way, thanking everyone for contributing to a very happy birthday and expressing the hope that they all might see another birthday.

**JARVIS WELSH SEPTEMBER MEETING**

The Jarvis Womens Institute will hold its September meeting at the home of Mrs. J. J. Parsons on Thursday, September 16th at 2 P.M. The Hagersville Womens Institute will hold its meeting at the home of Mrs. C. Miller, Mrs. E. Stalwood and Mrs. L. Lanly.

The meeting will be held at the home of Mrs. Johnson and a full attendance is requested.

**REGULAR TIMES**

On Sunday, September 12th, Jarvis on Sunday School and regular hours for the month of September at 1.30 p.m. and 11.00 a.m. and Ganeset at 1.30 p.m. and 11.00 a.m. The evening service will be at Jarvis at 7.30 p.m.

### Twelve Bus Loads Following Local Bands To Exhibition

When the Hagersville and Caledonia Bands present their numbers at the Canadian National Exhibition today they will have a goodly number of supporters wishing them well. A convoy of twelve Canada Coach Line Busses left the district this morning at Seven o'clock filled with Band supporters which should provide the best and most enjoyable trip for Selkirk and gave up only four hours for the trip. The first bus started at Jarvis this morning at 6.45 A.M. At Hagersville seven busses were added to the convoy and four more were added at Caledonia. It made an impressive sight as they started off for the Big Show.

The Hagersville Band has competed before at the C.N.E. but this is the first time for Caledonia since the Band there was re-organized. While the Bands from Caledonia and Hagersville will be competing with one another, the best wishes for them both go with them from the citizens of Jarvis.

### Lions and Ladies Enjoy Fish Fry

A most delightful outing was enjoyed by nearly fifty Lions and their wives at the home of Mr. and Mrs. H. J. Miller on Wednesday night. Under the direction of the Lions and their wives, a most enjoyable evening was spent with one another. The menu consisted of fried fillets of pickerel served with all the dressings. These included cream sauce, butter, ice cream, coffee and cold drinks.

After the members of the Club and their guests had partaken to the limit of the tasty morsels a program was presented that would not take second place to Olsen & Johnson's affluence. Artists appearing in the show included Oliver Sayer, of Hagersville, Elton Field, Mrs. E. S. Field, Mrs. A. B. Blight, Mrs. Manshal & Graham from the Gayety, Fred Reichel, Ed. Stire and last but not least, one of the most talented of Port Dover. According to Mrs. Kolbe who was present, the band was the first time the District Deputy has made a professional stage appearance.

The evening's program was finished off with the presentation of a check for \$20.00 to the Lions and Ladies. The check was presented by Mr. Alex. Jones and the Toast to the bride's mother was proposed by brother R. Miller. A. L. Miller acted as toastmaster.

The happy couple left on their honeymoon trip amid showers of congratulations and the good wishes of the assembled guests. For travelling the bride chose a tailored grey suit with navy accessories. Upon their return they will take up residence in Kapuskasing where the groom is employed with the Dominion Weather Bureau.

### Local Items of Interest

S.S. No. 4, WALPOLE OPEN FOR INSPECTION

School Section No. 4, better known as Long's School, Walpole, which has been completed following the fire which destroyed the building, will be open for public inspection on Monday, September 6th, Labour Day. The public are cordially invited to come and inspect this new modern school.

**WINS MODEL PLANE CONTEST**

Keith A. Bousfield, of Hamilton, son of Mr. and Mrs. Earl Bousfield of Jarvis, carried off top honours in the second International Model Plane contest at Detroit recently. John Korta, also of Hamilton, shared in the honours. The competition was keen with more than 540 of the world's outstanding model flyers competing. They had been invited to the meet because of their records in model plane flying.

**LOCAL PUPILS DO WELL**

The recent report of the Upper School examinations at the Simcoe High School revealed the names of many local students who attained that institution last year. The report also revealed a particularly high percentage of local students who were successful in their studies. While it would be incorrect to name any particular students, suffice it to say that the general results provided much satisfaction and pride to friends in the community. The pupils advanced another step in their quest for knowledge and we trust that many of our local students will emulate them to aspire to greater heights.

**FAST NOBLE GRANDS CLUB TO MEET**

The Past Noble Grands Club will meet on September 28th, the date to be announced later. Bring all money for sale of quick tickets to the next meeting. Everyone do their best to make a good donation to our C.P.&T. Fund.

### Who's Winning?

The softball picture has cleared a little during the past week with the play-off positions for the Jarvis League finally settled. Rainham and Fort Dover ended in a tie for fourth spot and played a sudden death game in Selkirk last Monday night with Port Dover winning by a wide margin. That brings Lamba and Fisherville together in one series while Garnet and Port Dover hook up in the other half. We imagine some of these playoffs should be starting soon.

Fisherville dropped the first game of the second round of the O.E.S.A. play-offs to Westover by a six to three score.

We fully expected to find our back in a hospital bed after our verbal attack on softball players last week. We were quite surprised and we might add, highly pleased when one player came to us and told us it had been a bright idea to put out a situation that was becoming a little difficult to manage. We have come quite a way up the ladder this year in getting organized and finishing as well as they did in bowing out of the series they lost to a team with several years experience behind the majority of the players and we look for them to put Jarvis on the softball map in another year or two.

Perhaps it was our realization that the average age of the regular players is only 12 years and don't ask how we found out. Incidentally we have the record of their batting averages and fielding averages in their five play-off games and if any of their fans would like a copy we would be glad to see them.

We finally have the league standing all straightened out. Several teams have defaulted their remaining games, Lamba and Garnet each defaulted one to Victoria, while Nanticoke defaulted one to Selkirk and one to Decewsville who also defaulted to not show up. We have to credit these teams with a loss but that's the way the standing has to be made out. The following is the final standing:

Team	P	W	L	Pct.
Lamba	18	15	3	.833
Garnet	18	13	5	.722
Fisherville	18	12	6	.666
Port Dover	18	11	7	.611
Rainham	18	11	7	.611
Selkirk	18	7	11	.389
Toronto	18	7	11	.389
Nanticoke	18	5	13	.333
Decewsville	18	5	13	.378
Varenay	18	2	16	.111

We have come quite a way up the ladder this year in getting organized and finishing as well as they did in bowing out of the series they lost to a team with several years experience behind the majority of the players and we look for them to put Jarvis on the softball map in another year or two.

Perhaps it was our realization that the average age of the regular players is only 12 years and don't ask how we found out. Incidentally we have the record of their batting averages and fielding averages in their five play-off games and if any of their fans would like a copy we would be glad to see them.

We finally have the league standing all straightened out. Several teams have defaulted their remaining games, Lamba and Garnet each defaulted one to Victoria, while Nanticoke defaulted one to Selkirk and one to Decewsville who also defaulted to not show up. We have to credit these teams with a loss but that's the way the standing has to be made out. The following is the final standing:

Team	P	W	L	Pct.
Lamba	18	15	3	.833
Garnet	18	13	5	.722
Fisherville	18</
