BLOOD DONORS WANTED
Since undergoing a serious operation at St. Joseph's Hospital in Hamilton ten days ago, Mrs. W. J. Hodges has been given blood transfusions to aid in her recovery. It is important that the Blood Bank at the hospital be repaid for this blood and the request is made for volunteers to offer their blood to repay the Bank. Mr. Hodges volunteered before going to press that it is his responsibility to see that this is done and we know that many friends in Jarvis will be happy of the opportunity to assist in this way.

Delhi Blanks Local Midgets
The Jarvis Midget team drew a shut-out in the wide open space Delhi last Friday night in a game which despite the uneven score was fairly well balanced. The team got two past Clark in the opening frame and notched the twin threes in the third period.

Farewell Party For Hendersons
On Wednesday evening of last week a very happy and generous expression of interest in O.A.C. prevailed as the members of the Haldimand O.A.C. and Macdonald Institute, representatives were present at a farewell party for Mr. C. W. Henderson. The buildings of Rural Youth Centre lend themselves particularly to an occasion of this kind. The decorations and preparations were largely directed by Mr. and Mrs. Gordon Skinner and Mr. and Mrs. W. Newton T. Ashton, who received the very hearty applause of the group. The fun was held in the evening and it was quite astounding amount of College lore that circulated among the various classes represented.

Farm Account Book Is Now Available
How many may a farmer claim for depreciation in his farm equipment? This is but one of several questions that is simply and clearly answered by a new Farm Account Book now available at all Post Offices. The new book provides an easy way to keep farm records of receipts and expenses connected with farm operations. Every farmer knows what it is to have a feeling that someday where along the line of his yearly operations his profits are not what they might be. And he is usually the first to admit, too, that without accurate records it is impossible to find out just where he is losing money.

WANTED
A very successful friend of Haldimand County O.A.C. and Macdonald Institute alumni was held on Friday evening at the Rural Youth Centre. Some 45 graduates of the College gathered. A delicious dinner introduced the gathering. Surely the menu never tasted better than on the crisp moonlight night which was chosen for this event.

KNOX CHURCH ANNUAL MEETING
At the annual meeting of Knox Church congregation held on Thursday night, January 22nd, good reports were received from the various organizations. The members gathered for supper at 8:20 after which Rev. W. H. Fuller conducted devotion exercises and opened the business meeting. Mr. Alfred Walker acted as secretary. Mr. Clarence Swing, Mr. Wray Craddock and Mr. James Brown were elected to the Board of Managers. Mr. Alfred Walker was re-appointed Secretary Treasurer of the congregation. The Board reported a balance in the decorating fund, which would be applied to the painting of the exterior of the church in the spring, and that the amount in excess carried had been increased during the year. A hearty vote of thanks was tendered Mr. Wm. Fuller, and the organizations of the Church.

Olympic Games Force For World Peace Says Lendi
The trouble at St. Moritz is a quarrel among officials, not athletes and has been magnified by a mischievous Press, said Anton Lendi, Swiss Consul-Attaché, in the United Church here Sunday. Mr. Lendi stressed the historic course of the Olympic Games and claimed that it was still a great potential force for international goodwill. Two factions among the officials of the present Olympic Games, he said, were responsible for the quarrel about which we read exaggerated reports in some newspapers. But the Olympic idea will go on, he said. There is no danger as some suggest that these will be the last Olympic Games.
