One of the amazing things about an election is figures. They say figures don't lie but they do give some funny impressions.

According to the Canadian Press report, the Pro. Cons. received 120,341 votes in the thirteen Toronto and four York seats in Monday's voting, against the CCF won eleven of the seventeen seats, the Pro. Cons. four, and Labour Progressive two. It's hard to figure percentages.

We are where Wm. Denison, who used to help William Hodgson in the honey business, and who was elected Mayor of Parkdale (Toronto) W. J. Stewart says Premier Drew made his fatal mistake in the election campaign by linking the CCF with the Communists. "Electors no longer recognize last minute issues," says William A. Lesson no doubt borne in mind since the Gestapo Charges of the last election.

Getting back to election percentages, the Liberal party polled 497,713 votes on Monday to win twelve seats; CCF polled 450,032 and won 11 seats. It doesn't seem right but that is what the figures say.

You can't best persistence. Agnes MacPhail is back again as the only woman representative at Queens Park. She won the election in York East. We remember Agnes coming to Jarvis a few years back to address a political gathering. There were four people present, including yours truly. The lack of an audience didn't phase Agnes. She gave the local Editor the full force of her convictions and we enjoyed it, as

Over a million test miles have proven that the new Goodyear DeLuxe averages 34% more mileage than the big mileage Goodyear it replaces. A stronger cord body gives you added blowout protection! A thicker, wider, flatter diamond tread steps up traction at all times. It's Canada's most popular tire!

The Jarvis Boy Scouts held their regular meeting outside last Friday night with fourteen present. Troop Leader Larry Lundy and Patrol Leader John Cameron received their bronze arrowheads having been successful in their examinations in the Bronze Arrowhead Course held at Cayuga last month.

Larry Lundy, Bill Gregory, Ivan Church and Roy Krouse all received their Foresters Badges which they worked for and were successful in passing at the St. Williams Camporee.

The next regular meeting will be held outside Friday night and part of the work will be each patrol build a small fire, erect pot hanger and boil water in a paper bag.

Special since we had the opportunity of talking back, without being considered a heckler.

About seventy-eight percent of the possible vote was polled in Jarvis on Monday. Last week we made a feeble effort to get every possible vote out, and even on Monday used up a little gasoline doing some further urging. The results were really gratifying. Jarvis had the largest vote in history, we believe. But if we are really going to make democracy work we have got to do better than that. We wonder what kind of a government the ninety people who didn't vote really want.

Premier Drew apparently convinced the majority of people in Ontario that his government was the best but not so the electors of his riding of High Park. The papers say his opponent, William H. Temple, convinced the electors there that if Premier Drew were elected he would open a cocktail bar in the riding. Mr. Drew denied this but it seemed that the Cocktail Bar issue took precedence over the other weightier issues of Government Policy. We think it was decent of Charlie Martin to of-folk seat and imagine that the electors of this riding will readily endorse Mr. Martin's action.
