We see by the Municipal Directory issued by The Department of Municipal Affairs, that we have a population in Jarvis of 569 souls thereby giving us the distinction of being the smallest incorporated municipality in the County of Haldimand. We can say, however, we are situated within the borders of the Township of Walpole, which has a population of 2,885, which is the largest Township in the County.

Back in 1939 Billy Taylor was the big talk in hockey circles. He came up to the Leafs from the Ottawa Generals with a bang. He was the white haired boy wonder in hockey's big line. President Clarence Campbell of the National Hockey League put him in the limelight again this week when he expelled him from hockey for life, on a charge of being associated with gamblers. It looks as though the pro hockey players had better stick to penny-anti if they want to continue to play hockey.

Speaking of hockey Garnet is sneaking up fast on a Provincial championship. Manager Gordon Hazlett is assessing the team's chances conservatively but defenseman Bruce Meahan has other ideas. Any thought of settling for less than a Provincial crown is just not to be considered. We'll venture the opinion that any opposing forwards will go through the mill if they get past Bruce from here in.

Speaking more about hockey. We heard yesterday about a fellow in Simcoe that went to two hockey games this winter and left his home alone both nights. She said she didn't mind him going to one game but two was too much. It's getting she said, so that a man has no consideration at all for his life-mate. It's deals with in her column. Dorothy gets some great stuff.

Sometimes it is almost impossible to bear the kindness of people. So many people have told us how much they enjoyed the Play presented last week in the Town Hall that we have seriously considered taking off for home talent are not proscribed, if somebody else in the cast - with Whenever home talent decides to wear themselves out in a drama presentation it always seems to get a warm response. Without a theatre in Jarvis we figure we could support one good play a week through the winter months. It would make everybody happy, with the possible exceptions of the characters taking part - and even in time they might get to like it.

After the Lion's Club banquet in the Town Hall last Friday night a (continued on page eight)

CHURCH NOTES

(Continued from page one)

CONGRATULATIONS TO GARNET

Everyone is proud of the Garnet hockey team and the Garnet Young People's Union is as much so as anyone. Three of the players of the team are members of the Union. We join the whole community in wishing them well in the remainder of their playoff games.

YOUNG MARRIED COUPLES

Our Club goes to Simcoe on Thursday evening next for an evening of bowling. Mr. and Mrs. Allan Cameron have made the arrangements and it looks as if we will have a grand time. We hope all members will be able to come.

MARCH 21st

On Palm Sunday morning in Jarvis and afternoon at Garnet we shall celebrate the Sacrament of Holy Communion. We believe that every one of our members who can possibly do so will want to be present for this service. At Jarvis in the evening we attempt a "Love Feast" service following the custom of the early church.

The members decided to make a thank offering of eggs laid by their flock on Easter Sunday. Mrs. Angus presented a letter from the Presbyterian Supply Secretary giving a list of articles allotted to Rockford W.M.S. Mrs. North reported that the women of Rockford church and community had responded generously to the call for European relief six large bales were packed including three new Howeyn 455 and prayer by Mrs. Howeyn accepted and I am sure all the members are looking forward to that (continued on page eight)
