less than three weeks but the average individual would not know it from any activity there has been locally. This quietness seems to prevail throughout the whole county.

The radio has made a vast difference of the compaigning. once in the methods of campaigning. Daily one can hear representatives of all parties extolling their own virtues and ridiculing those of their op-ponents. In fact most speakers retend to think that their party is he only one with any good in them. We don't know whether any paries propose holding any meetings i onia but we feel sure that, if attendance will be res-This is a sad but true fact
The only solution to get a respect
able (as far as number is concerned) crowd at a political meeting would seem to be to have all candidates present at the same meeting. This would have another real advantage in that they would have an opportu ity to answer any charges, which might not be the whole truth, on the
