NEW ELECTRIC MOTOR

gitators and well-meaning folk that pected to eliminate some of the we have mental pictures of the terms important financial and production problems for Ontario industries in f great de-humanized corporations volved in the forthcoming Hydro cy that have no thought for you or me. cle changeover, has been annou The fact is that the large part of all by Crawford Gordon, Jr., President enterprise is you and me and is no enterprise is you and me and is no enterprise in you and me and is no enterprise is you. The eager and ambitious men and women who yearn for individual freedom in their work, and find it in small undertakings of their own, are the very heart of free enterprise. The great industrial empires stem back over the chargeover period in the control of the chargeover industry over the chargeover period in the chargeover in the chargeover period in the charge period period in the charge period period in the charge period period great industrial empires stem back to some individual who had a vision present 25-cycle area. to some individual who had a vision of his own, and wanted to try it out and win or lose on his own. But we have gone on from there. In growing larger we have assumed that the once fine little business has lost all its fineness and become careless and greedy. So we will control it. But, can we do it and still leave other men and women to dream and to implement their dreams free from interference? It is the little business that is of so great importance.

This motor will have an important affect on both the taxpayer and on industry," stated Mr Gordon "Industry will beneit because there will be no costly delays involved during the changeover when such motors are in use. Present 25-cycle area.

Who's Winning?

some of these days 4 lot of people middlion for silage purposes are going to have to admit that Lamb's have a good ball team. In their five play-off games to date, they have held the opposition to six runs, of silage corn and a good wile scoring forty-three themse'ves. Wray Dennis is again proving that the is one of the top pitchers in this runs of the colory.

\*\*Stevensville-
Third Round

A crowd of around one thousand that gathered at Selkirk last Thursday night saw Lambs defeat Stevensville six to one and take the round two games to one. The victory advanced Lambs to the third round of the O.R.S.A. play-offs.

For Lamb's, Way Dennis again did the pitching and gave up five hits, struck out ten and walked three. Three of the hits which were scratched by the pitching and gave up five hits, struck out ten and walked three. Three of the hits which were scratched by the pitching and gave up five hits, struck out ten and walked three. Three of the hits which were scratched will be provided by a walk, to give Stevensville their only run. For Lambs, singles went to C. Swarts, E. Length of the pitching and gave wind to C. Lamb which were signed and to C. Lamb wind provided the pitching and gave wind the provided the pitching and gave up five hits, struck out ten and walked three. Three of the hits which were scratched with a three-tier wedding cake, pink and white snapdragons and streamers.

To travel the bride donned a plum wool suit with black picture hat and black accessories and corsage of white gardenias.

The happy couple motored to the lure tourists to Ontario, the Ontario Travel and Publicity Department recently announced a re-organization of the groom's farm, Nanticoke.

Guests were present from Buffalo, Eggertsville, N.Y., Toronto, Cayuga, Fisherville, Hagersville, Jarvis and Nanticoke.
