"I trust them more than I'd trust myself"

THE BANK'S the place for my money. I always put part of my pay into my bank account—otherwise it burns a hole in my pocket.

Another reason I'm sold on a bank account is that I always know just where I stand. All I have to do is take a look at my pass-book. They're a lot better bookkeepers than I am.

What's more, what's in my pass-book is my business, and I can count on the bank people to keep their mouths shut about it. And that suits me just fine!
