HALDIMAND MEMBER ILL

(The Hamilton News)

DEEP REGRET is felt throughout the Niagara Peninsula at the serious illness of Mark Cecil Senn, M.P., Caledonia, who has represented Halldimand County riding and held it for the Conservative Party continuously since the Dominion election in 1921.

Mr. Senn, like the county he has for so long represented at Ottawa, has never sought the limelight. He was born at Oneida on January 1, 1878, and attended public and high school at Caledonia.

In the House of Commons, Mr. Senn has done outstanding work in committees concerned

When George McCullagh, the new publisher of the Toronto Telegram, said he was going to knock off his rival the Star, he apparently was serious, judging by the new look of the old lady of Melinda street.

WEBSTER WAS RIGHT—BACK 110 YEARS in the Senate of the United States, Daniel Webster gave notice to these words:

"There are persons who constantly clamor. They complain of oppression, speculation and pernicious influences of accumulated wealth. They cry out loudly against all banks and corporations and all means by which small capitalists become united in order to produce important and beneficial results. They carry on mud hostility against all established institutions. They would choke the foundation of industry and dry all streams. In a country of unbounded liberty, they clamor against oppression. In a country where property is more evenly divided than anywhere else, they rend the air shouting agrarian doctrines. In a country where the wages of labour are high beyond parallel, they would teach the laborer he is but an oppressed slave. Sir, what can such men want? What do they mean? They mean nothing, sir, but to enjoy the fruits of another man's labor."

Great changes have occurred since Webster's day, but his human nature changed much, if at all. Haven't we about the same thing at home and abroad as they had in the free United States in 1838?

Notice Regarding the Limited Suspension of Lighting Regulations 7:00 p.m. to 7:00 a.m. Monday to Friday 7:00 p.m. Friday to 7:00 a.m. Monday

Regulations 4, 5 and 6 (under the heading "Part III Lighting") of the Regulations Respecting the Use of Electricity in Ontario Put Into Effect September 14, 1948, and Amended October 13, 1948, Are Suspended Between the Above Hours.

Continued improvement in water conditions, coupled with unusually mild weather, now enables the Commission to meet normal demands during night hours and on weekends. In view of this, the lighting restrictions set out in regulations 4, 5 and 6 (under the heading "Part III Lighting") of the Regulations made by the Commission under the Power Commission Act, are suspended each night from 7:00 p.m. to 7:00 a.m., Monday to Friday inclusive, and from 7:00 p.m. Friday to 7:00 a.m. Monday. However, during the daytime from 7:00 a.m. to 7:00 p.m., Monday to Friday, resources are still inadequate to meet power demands fully. The Commission therefore requests that the Regulations be strictly observed during these hours and that voluntary conservation be continued.

The Hydro-Electric Power Commission of Ontario and the Municipal Systems wish to express their sincere appreciation to all Hydro users who were affected by these Regulations. Your splendid co-operation provided invaluable aid during the critical period of the power emergency.

LETTER TO THE EDITOR

Sutherland St., Caledonia, Ont. February 12, 1949 Mr. A. L. Miller, Editor.

Your editorial of February 2nd, entitled "Gloomy Gaze" prompts me to write this letter, hoping I may be accorded the courtesy of having it published in your paper.

Since for hundreds of years the pendulum of the world's economy has swung with depressing regularity from the peaks of prosperity to the depths of depression, we can hardly expect, as suggested in your editorial, that the sunshiny prosperity preachings of the Liberal and Progressive Conservative parties will stop this undesirable condition which has persisted through the Capitalist or, to use its fashionable name, Free Enterprise regime.

One could hardly label Mr. Colwell a "Gloomy Gaze" for prophesying a depression. Capitalism and Free Enterprise have had years and years to stabilize our country's economy but have, to this date, been entirely unsuccessful. Are we to assume that something is amiss in our way of life, or is it merely "preaching prosperity" we will magically be assured of continued prosperity with nary a depression? "The said faith will move mountains but I'm afraid it would take more than faith to remove depressions without some revamping of our economic system.

Now we come to the point where it would appear all Liberal and Progressive Conservatives must be Polly annas and Mr. Colwell and the CCF party stern realists!

Thursday of this week the all Film Board will present community its program, "Walk a Crooked Mile" at St. Paul's Parish 8 P.M. Five films will be shown on the same trip that is taking us out of town today. We feel sure local citizens will find the film interesting and recommend that they see it. There will be other shorts as well as, "The Home Town Paper" which is to be shown at the Parish Hall of St. Paul's Church, starting at 8 o'clock sharp. We would go
