Some very interesting and amusing ty vote of thanks.

Some very interesting and amusing reports were given by several members on some of their recent fishing sojourns in the Northland. All reported good fishing and lots of fun.

Capt. Cornelius of Hamilton, was our guest speaker for the evening and gave a very interesting address, especially to the younger members on "A Sport". The speaker was introduced by President Orland Dilelo and a vot of thanks proposed by Goo. Gowan. The meeting being all the Junior members to hear this address, we take this opportunity to express our regrets at keeping the boys out later than was originally intended.
