Repairs to Town Hall Is Problem to Civic Fathers

The Jarvis Town Hall has been the scene of many happy gatherings in years gone by and even yet it is the meeting place for many events in the community. But like everything else, it grows older every year and with advancing age needs treatment. The problem presently facing the Town Council, guardians of the assets of the community, is the air conditioning between the top floor and the etheral atmosphere. It has been a long time since any repairs have been made to the roof and normal deterioration has resulted in a few openings that have a tendency to dampen the interior woodwork when it rains.

World's Largest Cathedral Described By Lions Speaker

Members of the Jarvis Lions Club heard an extremely interesting address on Monday night when Lion Dave Banks gave a word picture of a tour through St. Peter's Cathedral in Rome, which he visited while serving with His Majesty's Forces in Italy during the War. The World's largest Cathedral was built on a site occupied by a previous church that was built in 360. Construction started in the year 1505 by Pope Julius II and construction has continued ever since.

Nanticoke Drop Third Game To Troy In O.R.H.A. Finals

Nanticoke's hopes of winning the O.R.H.A. "B" championship were ended on Monday night when they were edged out by Troy by a five to four score. The game was played in the Barton St. Arena in Hamilton. Troy showed a complete reversal of form over the showing they made a week ago in Simcoe when they lost six to two.
