

Private...

7,551,058* bank accounts

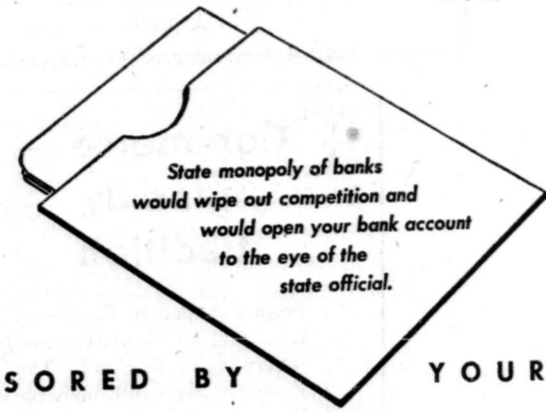

YOU TAKE for granted that your bank keeps your account private... even though yours is one of more than seven million deposit accounts in Canada's 3,385 branch banks.

When you put money in, take it out, arrange a loan—transact any of your banking business—nobody need know about it but you and your bank.

It's the most confidential business relationship you have.

Canada's ten chartered banks compete to serve you, in handling your cheques, lending money, safeguarding your funds—and in many other ways. You know you can always expect privacy and efficiency.

*As of September 30, 1948.

PAINT-UP TIME Time to eye up the old dwelling to see where a can of paint will do the most good in the spring. A fresh coat of paint will go a long way in giving the community a bright, cheery atmosphere.

RAIN-UP TIME The main provisions of the Policy are that only grade or mixed grade and purebred herds are accepted; there must be at least ten cows in the herd and there must be not less than twenty-four or more than twenty-six members in each Association.

Latest figures on live stock population in Haldimand County indicate that the sheep population is down, the cattle population is up and the swine population down.

During the season of 1947 and 1948 there were ninety beekeepers registered in Haldimand County.

Mr. McCallum's twelve-page report dealt extensively with representations made to both provincial and federal governments.

Premier T. L. Kennedy, commenting on Mr. McCallum's remarks at a provincial grants, said in Toronto that if municipalities did not want to abide by conditions of the grants they did not have to accept them.

A conference between municipal and Ontario government officials is to be held this summer, Mr. Kennedy said.

Have you had your soil tested? There is no other way in which a farmer or anyone else for that matter can determine the kind and amount of fertilizer required for any given crop and the application of fertilizer without a soil test may be wise in the application of lime it is always recommended that a test be made first since there is little value in having an over cultivation.
