Q How should one point the group of the friend when cutting and placing food in the mouth?
A The prongs should point downward while cutting the food, but should point upward as the food is lifted to the mouth.
Q How should a divorce sign her name if she retains her ex-husband's surname?
A She should use the surname of her former husband, preceding her maiden name, as "Helen Smith Johnson."
Q Is it all right for the bridegroom to hand the clergyman his fee?
A No; the best man hands the fee to the clergyman, although it comes from the bridegroom.
Q If one is asked to fill in at the last moment, and the circumstances are plausible, should one accept?
A Yes, and without hesitation, if free to do so.
