DUO-PIANO TEAM

Beulah Malcolm and Herbert Lefroia, young Halifax pianists, combine their talents at the microphone each Saturday at 7.30 P.M. to give CBC Trans-Canada listeners a fifteen-minute program of their own stylings. Miss Malcolm, who has been studying music since 1928, is a graduate of the Royal Conservatory of Music of Toronto and of the Royal Schools of Music in England. At present, she is teaching at the Maritime Academy of Music. Mr. Lefroia is a veteran of the United States Army who served in the South Pacific. He came to Halifax two years ago. He made regular network appearances in the United States before enlisting and has also performed with the Rochester Philharmonic Orchestra, the Eastman Symphony Orchestra and other groups.

CHRONICLES OF GINGER FARM

by Gwendoline P. Clarke

of the people of Canada by reason of grace and while he and the party he leads, very closely scrutinizery phase of legislation that is placed, he has not made any spoken criticism of Government

The same can also be said Mr. Coldwell, the C.C.F. leader as well as Mr. Solon Low of the Social Credit party and I think it is wise to do so, because the people of Canada very wholeheartedly and without question, endorsed the policy of the present government. That of course does not mean that we, in the Opposition, haven't a very definite job to do, a job that is as equally important as Members of the Government. We have set up our committees on the various departments of government and as we only have forty of them, each one of us are called upon to serve on four each. I would like to discuss this matter in more detail with you in the near future as the session progresses.

Now apart from departments of government, I would like to mention a word or two about the people whom I am associating. As most of the members share an office with another member, I am fortunate in having a representative from Huron North as my associate, Mr. Elston Cardiff, who is very capably represented that riding in Parliament since 1940 and has been a bureau of information since the opening of the House. My desk mate in the House is Mr. Brown who represents St. John West in the new tenth Province of Canada. A lawyer by profession, he has made a favorable start in the House of Commons during how he had fought against Confederation, for everything that is, but now that Newfoundland is part of the Dominion, he would be just as hard to oppose Canada as he was Newfoundland.

I do not want to impose on the time of The Record, by writing much, I would conclude with the hope that we Canadians should be proud of our heritage. We have immense possibilities that lie before our country, the tremendous potentialities of the oil discovery in Alberta, which will mean so much to our people, the far reaching mineral and coal deposits awaiting development, our great Agricultural and Fishing industries and all the natural resources we possess. Then without doubt visualize a nation of at least fifty million people in not too distant future.

I will now follow the proceedings of the next day by day and listen to the discussions that deal with every phase of the Dominion, it makes me very happy that we have a small part to play in the legislation that goes through the medium of Parliament for a greater and more united Canada.

Work Underway, And Sidewalk Construction

The 1949 Council is not going to disappoint those citizens who have been expecting some new street and sidewalk construction this year.

The Black Top Paving Company is presently working on Monson Street from the school to Walpole street. The street is being graded to an eighteen foot width and tile have been laid on the north side. A permanent black top will be applied when the grading is done. They will then move over to Lydia street and the same work will be undertaken here from Main street to Church street.

J. W. McBurney & Son have started to lay new sidewalk from the Craddock and Phibbs garage on Talbot street to the end of the present sidewalk. New walk will also be laid on the south side of Peel street from Main to Church. Repair work will also be carried out in many other sections in town.

'Lazzy' Farmer Writes '30' For Current Season

Hello again fans, we're back for the final column this season and we don't know whether we're glad or sorry. It's been a grand softball season and we have had the privilege of meeting many athletes, of both sexes. Several times this season we have written this column, just midnight or so if it seemed rather flat, we hope you will forgive us. On the other hand it has been a pleasure to bring to you all the information on the softball happenings that we could secure. Again may we extend to the Selkirk Ladies and Selkirk Juniors, our congratulations, on winning their respective league titles, and to all those teams that lost out, we wish them better luck next season. Of course in all branches of sport there has to be a winner and a loser. If we can't be the winner then it's a great credit to any athlete to be a good loser.

During the season just past, we have attended about seventy-five ball games and if there were still more, we presume we would be there. It has been our pleasure to be associated with the Jills, in the position of scorer, and their interest in their batting averages has more than repaid us for any work that we had in that connection.

When another season rolls around we suppose there will be many changes. In the Erie League there is again talk of a Garnet and Varency entry (separately that is) when another season rolls around. There are definitely going to be player changes on several teams. Likewise in the Ladies League, Selkirk will very likely lose Joyce Donaldson whom according to residence rulings will probably have to play for Cayuga. It was through their courtesy in releasing her that she was allowed to play for Selkirk this season. The Jills will very likely make a few changes also but all this will have to wait for next season.

Speaking of changes, next season will also see new men in one or two of the positions on the executive, in charge of these leagues. That much we're sure of.

Now that the softball season is over, we'd just like to mention the staff at the local telephone exchange. During the season we have put through around seventy calls that were through more than one exchange. On every occasion we were extended the utmost courtesy. We'd just like to say thanks a lot girls.

Speaking of girls (which we seldom do) we attended a meeting of the Jills a few evenings ago and during the course of the evening, the pictures which were taken October 1st were on display and the girls each chose the one they liked best and which we understand are being presented to them by the manager Harold Stewart really did a lovely job of photography as all the pictures turned out quite well. During the evening the girls decided to form a club and perhaps carry on a few projects during the winter, such as skating parties, etc. Vera Jacques was elected President and Ethel Cassidy the Secretary of the Club. The group were then served cake and coffee by Dorothy Gibbons and Ruby Opersko, at whose former home the meeting was held.

Aside from softball for a moment we understand that the Garnet entry in the Erie Hockey League will be strengthened again this year and that they're out to regain the League championship which they lost to Nanticoke last season. Sounds like a good season ahead folks.

Following a checkup of the score books of the Jills, we have their final averages for the season:

	AB	H	Pct.
Vera Jaques	74	36	.486
Joyce Parkinson	31	15	.484
Marie Saunders	57	25	.439
Ruby Opersko	51	22	.431
Connie Secord	33	13	.394
Eleanor Martin	85	33	.388
Ann Columbus	89	34	.382
Ethel Cassidy	88	33	.375
Betty Opersko	73	26	.356
Dorothy Gibbons	62	21	.339
Jean McMillen	45	15	.333
Ruth Rawcliffe	29	9	.310
Mary Columbus	31	5	.161
Marg. Jacques	5	0	.000

During the season Vera Jacques hit four homers, two triples and five doubles. Joyce Parkinson had seven homers, one triple and one double. Ann Columbus had one homer, three triples and one double. Space doesn't permit us to give all the details but we have them for anyone who'd like them. Vera Jacques and Ruby Opersko were each struck out three times during the season and each picked up four walks. Betty Opersko topped the team on both strike-outs and walks, with thirteen of each. And that, ladies and gentlemen, concludes this column for this season, and until another season rolls around we wish for you all the best of everything and we'd like to close with one of the slogans adopted by the O.R.S.A., which goes like this:

"It's not for the sake of a ribboned coat,
Nor it's not for the hope of a season's fame;
But his captain's hand, on his shoulder smote,
Play up! play up! and play the game."

Spun A Coin Won $7500

The instinct to gamble is as old as man himself. Through the ages it has taken many forms, but the desire to profit from the turn of chance has never changed. Gambling in one shape or other never ceases.

Lotteries originated in Italy and, passing by way of France, arrived in England in 1569, during the reign of Queen Elizabeth. With typical shrewdness, Elizabeth realised that this was a good opportunity to add to the national revenue. It was therefore arranged that "a very rich lottery-general of money, plate and certain sorts of merchandise" would be held. Its object was to provide funds for the repair of harbours and fortifications of the country. The first prize was worth about £5,000.

The tickets were sold at ten shillings each, and they could be divided or subdivided for the convenience of those unable to afford such a large sum.

This first English lottery was not a great success. It was something new and the people were suspicious. Sale of the 400,000 tickets was very slow, and the Queen began to get annoyed. She issued a proclamation declaring that the lottery was genuine and pointing out its advantages. But the scepticism persisted. Only 4,000 tickets were sold.

One of the worst times in the history of English gambling was in the 17th century. Every form of wagering was rife, much of it was dishonest, and all of it became a real social menace. Fortunetellers did a roaring trade in prophesying lucky numbers. Lottery draws were scenes of excitement and tragedy. Doctors always attended the gatherings to "let blood" in cases where the sudden realisation of good or bad fortune had an overpowering effect, for the results were frequently followed by suicides, violence and robberies.

The cult of lotteries seemed to bring in its train a very fetish of every possible form of gambling. Cock fighting, bear baiting, greyhound coursing, cards and dice all served to provide excuses for heavy wagers. It became so bad that laws were passed in an effort to restrict it.

Others were content to toss a penny in the air these days. Not until the end of the week would it be known which four plowmen would win the top prizes — an expense-paid trip to Britain.

Besides the regular plowing contests, the Ontario Plowmen's Association, sponsoring the match, had arranged for displays of plowing with oxen and mules and a horse-shoeing competition.

Paterson Hardware Sold To Fred Fish

Fred Fish, of Toronto, and formerly of Otterville, has purchased the Paterson Hardware at the corner of Main and Talbot Streets. The new owner expects to take over the business next Monday. Mr. Paterson, in partnership with his father, has purchased a Hardware business in Rodney, west of London.

Mr. Paterson and the new owner are taking stock this week before the business is transferred. Mr. Fish, who is a married man with two boys, two and a half and five years of age, expects to move here before the end of the month.

—o—

HALDIMAND CATTLE WINNERS AT FAIR

Dairy and Beef cattle exhibited at the Simcoe Fair last week found a predominance of Haldimand exhibitors. In the Hereford Class, the Jarvis Hereford Farms were top prize winners followed by Hagan Bros. of Caledonia. In the Holstein class the Banfield's Fields and other breeders in the Nanticoke area captured many of the prizes.

TABLE TALKS

Jane Andrews.

There's a lady down in Massachusetts who says that cakes made according to this recipe absolutely refuse to fall. I haven't tried it often enought to endorse that "absolutely." Still, as far as I've gone, I've found that it bears out her recommendation. Mighty good, too.

FOOLPROOF CAKE

First Bowl:
3 egg whites
1 teaspoon cream of tartar
Second Bowl:
6 egg yolks
1 cup sugar
1 tablespoon vanilla
1 cup sifted cake flour

Method

Beat egg whites until stiff, then fold in cream of tartar. Beat thoroughly the yolks with sugar and vanilla. Fold contents of both bowls together. Then gently fold in flour. Pour into an ungreased tube pan and bake about 45 minutes at 250 deg. F. Test with straw for doneness. Cool upside down. When cool, cut cake around the edge and in center to loosen from pan. After loosening, turn cake out.

* * *

Most of the pears I've seen this year were somewhat on the small side—and not quite as juicy as they are in seasons when the rain is a little more evenly spread out. Still, there's no use just wishing they were bigger. Not when you can make a really fine relish like this

PEAR RELISH

1 peck pears
12 green peppers
10 small onions
5 or 6 red peppers
3 tablespoons salt
3 cups sugar
2 cups vinegar
1 tablespoon mustard seed
1 tablespoon celery seed.

Method

Grind together pears, peppers, and onions. Add salt and let drain in bag overnight. Next morning cook together the sugar, vinegar, mustard, and celery seed for 20 to 30 minutes. Then add to drained mixture and cool. Next morning reheat and seal in glass jars. Splendid with roast meats.

* * *

To use Instantine in the Norfolk County fruit-cake and pains, was held on Monday from The Walsh-Funeral Home in Simcoe. Rev. J. L. Duncan, of Trinity Anglican Church, was in charge of the service and interment was in Oakwood Cemetery.

ACHES AND PAINS OF **COLDS**

HERE'S QUICK COMFORT!

And the RELIEF IS LASTING

There's one thing for the headache . . . the muscular aches and pains that often accompany a cold . . . INSTANTINE. INSTANTINE brings really fast relief from pain and the relief is prolonged!

So get INSTANTINE and get quick comfort. INSTANTINE is compounded like a doctor's prescription of three proven medical ingredients. You can depend on its fast action in getting

An inquest into the boys death will be held at the Court House, Simcoe, on Friday afternoon. The condition of Robert Moulton, 13, son of Mr. and Mrs. Gilbert Moulton, St. Williams, who was seriously injured in the accident and is in Norfolk General Hospital, is still reported as "fair." The two boys were riding in a plane on the "Spitfire" ride on the midway when it broke loose from the framework and crashed forty feet to the ground.

'Busy Bee' Lunch Opened Saturday

The "Busy Bee" Lunch room opened on Saturday in the premises formerly occupied by Rutt's Bakery. The new proprietor, Mr. Frank Gerling, of Toronto, has renovated the interior of the building and installed new equipment. The grill and food preparation counter is in full view of the public and is the most modern equipment available. Mr. Wendling plans to install additional seating accommodation later on. The dishwashing equipment ensures sterilization of all chinaware by a series of compartments. There is the wash, rinse and sterilizing sections. Besides Mrs Wendling, Miss Jeans McMillen and Mrs. Dorothy Walker are employed in the establishment.

—: JUNIOR FARMERS TOUR EASTERN CANADA :—

Part of the group of Forty-nine boys and girls, members of the Junior Farmer Association of Ontario, which toured the Canadian Pacific liner Empress of France while inspecting the Montreal waterfront under the auspices of the Dominion Department of Agriculture, is shown with the ship's Master, Capt. B. B. Grant. The trip to Montreal was an award for outstanding work done by the Association members throughout Ontario. Bill Saunders son of Mr. and Mrs. Kenneth Saunders, of Nanticoke, will be noted in the photo, second from the right in the second row, directly behind the pretty girls.
