As we stepped aside and he rammed the pitch-fork in the side of the Record Building, we were able to get a brief explanation for his upset condition before he could get the fork out. In fact it is still impaled in the side of the building as a constant reminder of what can happen to editors when they stir the wrath of readers. Johnny says it is results that count and it cannot be denied that citizens are painting-up and cleaning up for the Centennial. "You prove to me", says the President of the Board of Trade "that our organization is not responsible for these excellent results"!

Those two rivals of the hockey world locally, namely Nanticoke and Garnet are having a lot of fun playing exhibition softball games. After Garnet had defeated Nanticoke twice this year, the worm turned on Monday night as Nanticoke won a seven to six decision.

We'd still like to see Garnet back in this Erie League, they have about the most promising crop of young players of any team locally.
