We have a letter this week from Cecil Lamont, Honorary Chairman of the Manitowish Flood Relief Fund, announcing that the committee has decided to bring the campaign to a close on July 15th. At the same time he asks us to convey to all our readers the deep appreciation for all they have done in enabling the fund to reach its objective.

Six years ago this week we announced that Dave Brady had turned up safely after he was reported missing in action overseas. As it turned out Dave was dumped in the English Channel and had one of the longest swims he could ever hope to have even in the hottest weather. The last Great War seems a long way back now to those who lived on civvie street, but the boys who were overseas there no doubt keep their memories fresh particularly those who had experienced like Dave Brady.

We can't believe the current action in Korea will in itself extend into a major conflict. But we do find many people of the opinion that it is a testing ground for the forces that are being built up for the third great war between the two ideologies of life.

from morning till night and only one thing can mar the success of the occasion—that is rain.

Local citizens are reminded that floats for the parade are invited and it is hoped that we will make a good showing in comparison with the rest of the county. It is pointed out that the parade is not for advertising purposes and entries must be attractive and preferably have some historic significance.

The regular monthly meeting of The West Haldimand District High School Board was held at Cayuga High School July 13th, 1959. Business transacted was as follows:
 1. Planned accounts for payment to Datta Lath for the Shop, Hagersville High School.
 2. Authorized the purchase of a Datta Lath for the Shop, Hagersville High School.
 3. Confirmed the appointment of Charles Peerman of Caledonia as Janitor and Caretaker, Caledonia High School.
 4. Authorized the purchase of four new typewriters, Commercial Department, Caledonia High School.
 5. Instructed the Secretary Treasurer to communicate with the Department of Education asking the Department to make a survey and confer with the principals of the High Schools with a view to the construction of a central high school in the area and the disposition of existing high school buildings.

ing man at Mitchell and later worked in many shops throughout Western Ontario. Early in the century he purchased the St. Marys Argus. He later published The Beamsville Express and later purchased the Haldimand Advocate, at Cayuga, in 1913. His connection with The Advocate was broken during the first Great War when he served overseas. On his return he purchased the Oxbridge Journal which he operated until 1919 when he returned to Cayuga and published the Advocate until 1921 when he retired.

He leaves, besides his wife, the former Mabel Davis, two daughters, Mrs. Montague Jarrett (Della) of Ingersoll and Mrs. Robert Jarrett (Edna) of Cayuga.
 The funeral was held under Masonic auspices, at the Cayuga United Church on Saturday afternoon with the service being conducted by Rev. Malcolm Johnson. Interment took place at Riverside Cemetery.

Softball Notes

Hello again softball fans, we've been with another week's news from the softball world and there is plenty of news to report. The Erie League schedule is drawing to a close and right now the play-off picture is not very clear. At the present time Fisherville lead the league with Selkirk Juniors in second place. The Juniors are setting a hot pace having defeated Lamba and Fisherville in succession. Monday evening they defeated Fisherville a ten to five licheing. Lamba, Selkirk and Nanticoke are all tied for the next position and strangely enough, these teams are the three that enter the O.R.S.A. play-offs, or should say one of them will.
 Jarvis Juniors lost a game to Waterford on Friday night and Port Dover is rapidly working up near the top of the league. The Juniors play Simcoe on Friday evening, July 14th in Jarvis.
 Jarvis Jills are leading their league with Cayuga and Simcoe next. Dunnville Orioles could be tied with Jarvis of their last game. The Jills had a busy week last week winning four of their last five games. They produced some surprises both ways. Thursday evening they defeated Waterford and on Friday night they defeated Selkirk. On Friday evening they defeated Waterford three hits, two of them to Betty Operko. Eleanor Martin pitched the game for Selkirk and held Waterford tight. Friday evening the two teams tangled again in Waterford and we were engaged. Eleanor Martin started the game but was taken out in the fourth, giving up six hits while her mate, Marie Sanderson took over and struck out two batters and gave up five hits.
 We think we ought to see something like what happened last week when we ran into trouble scoring games for Selkirk. It's a long story but to make it longer, we're going to tell it. It all started last Thursday evening when we had the Pen Secures and Pastepot column. A few hours later we were scoring the Jills ball game and about half way through the thought struck us about Johnny Peresky strolling down Main Street with a pitcher over his shoulder for nearly two years here, are moving to Hamilton.
