We are unhappy enough about the price of meat these days that we have gone on an egg diet. It takes a lot more chewing to get the same amount of protein, but it can be done. But maybe we shouldn't complain about the price of beef. An authoritative source points out that the Russians have to pay about \$4.36 per pound for their beefsteak — if they can get it, and Tea just imagine \$39.91 per pound which is the week-ly earnings of the average Russian. Now who is there in Canada that wants to work a whole week for a pound of tea? And to think we are on the verge of another world war. nound of tea? And to think we are not the verge of another world war Softball Notes

Hello again, softball fans,

the O.R.S.A. play-offs.

Dunnville Orioles threw a scare into the Jills this evening (Tuesday) when Banks' relief pitching in the Selkirk vs. Nanticoke game. Coming in, in the fifth inning he held Selkirk to one hit for the rest of the game giving up two walks and no runs.

The Jills were defeated on Saturday evening by Burford, on the ford diamond by an eight to five score. After seeing the Burford diamond we can understand why they

think Jarvis has a nice diamond. Incidentally the score board is up in imagine they will be along soon.

Cayuga Ladies defeated Simcoe
Bluebirds on Monday evening by a five to four score after Simcoe had ed three to nothing. According to an authority on making out schedu the ladies schedule is all havwire Well it isn't easy making out a sche dule for the league when each team has only one night a week to play their home games. We'll admit it might have been better perhaps, but that calendar of Elson Mehlenbacher's that we were copying dates from, had a very distracting picture

on the front, especially to bachelors like Jack Martin and ourselves. Any-time we see a picture of a pretty Speaking of bachelors, we heard a yarn the other day about one that we know quite well. It seems he always dreamt the same thing every night so he called on the local doc-tor. "Say Doc!" he said, "everly night I dream the same thing I'm lways dreaming I'm a wonderfu ball player. Why every night I dream I'm batting about 750. I'm

"Well" said Doc. "don't you ever dream about beautiful girls?" "What exclaimed the young fellow, "and miss my next turn at bat." Reminds us of somebody we know quite

column is going to get us into trou-ble yet. The other day we were alking to a friend and they wanted know who predicted that Jarvis Jills were going to win the O.R.S.A. championship. Seems we sort of got the blame, but we're not predicting anything like that. Next week we'll have the batting averages figured out again. ured out again.
