WE ARE KEEPING OUR PROMISE

Two months ago when coal shortages forced us to reduce passenger train services, Canadian National promised that all these trains would be put back into normal service as soon as conditions justified it. Now we are keeping our word.

Full CNR Train Service Restored

As from Wednesday midnight, MARCH 8th, all trains in Canada that stopped running because of the coal shortage go back on their normal schedules.

To you, the public who gave us your understanding co-operation during this trying period, we extend our grateful thanks and say to you that the Canadian National will, as over many years, provide you with fast, reliable, up-to-date transportation.

JARVIS WOMENS INSTITUTE MARCH MEETING

The March meeting of the Jarvis W.I. was held at the home of Mrs. E. Harris on Tuesday afternoon with a fine attendance. Mrs. E. Braund president, opened the meeting with the Ode and Creed followed by the Lord's Prayer. Mrs. E. Marr, Secretary, read the correspondence and minutes and the Roll Call "The Farthest I've Been From Home" brought forth many different answers. Announcement was made that $167.-08 was realized from the play. Plans were made to make an exhibit at the Kohler Fair on June 8th with Mrs. E. Stallwood, Mrs. J. Brown and Mrs. A. Marr forming a committee to have charge of this exhibit. Mrs. N. Ryder kindly offered her home for a quilting and pot luck dinner on Tuesday, March 14th and all members are urged to help with this propect. Mrs. Harry Belbeck consented to be in charge of a sale of clothing to be packed and everyone is asked to contribute. The topic of the afternoon "What a Voter Should Know About Civics" was very ably given by Reeve George Walker of the Village of Jarvis. The Motto "Be Sure to Put Your Feet in the Right Place and Then Stand Firm" was given by the program convenor Mrs. H. Seibeck. Mrs. A. Miller displayed a fine collection of practical handicrafts which everyone could do. Mrs. Robert Dosser fittingly thanked the hostess and committee for the fine meeting which closed with the King.

HALDIMAND COUNTY CENTENNIAL — WELCOME HOME — JULY 30-AUG 6 — 1950

— By Norman C. Colbert —

TRIALS OF EARLY WALPOLE SETTLERS

Homesickness, illness, mosquitoes, swamps, wild animals and lack of the ordinary comforts of life were not the only matters which plagued the lives of the pioneers.

It is obvious from the petition copied below that it was quite a problem to ascertain the boundaries of one's property, when it was located in an almost trackless stretch of virgin timber and undergrowth, with all visible marks of the original survey obliterated.

In making the copy, the original petition has been followed as closely as possible, including mis-spelled words. A few of the signatures are almost undecipherible, and perhaps some reader will be able to enighten us in this connection. Of course several of the names are still prevalent in the Township, but others are only a memory.

Mention is made in the Haldimand Atlas of the Bellis settlement in the north-easterly part of the Township. No doubt Sam-Bellis who signed the petition, is the man in question.

Everyone is familiar with the side roads which the petitioners were anxious to have re-opened and posted off, namely the Nanticoke, Sandusk and Cheapside Side Roads.

• PETITION •

To His Excellency SIR JOHN COLBORN Lieutenant Governor of Upper Canada, K.C.B. in Council, etc, etc.

The Petition of His Majesty's Subjects living in the Township of Walpole also others that hold land in the said Township that are anxious to settle in the same township

HUMBLY SHEWETH:

That your petitioners are the yeomanry of the Province of Upper Canada living in the Township of Walpole and also in the Coming Townships, - Beg leave to state to your Excellency in Council that we are very desirious of having the township of Walpole more inhabited than at the present time. The settling of this township has been very much retarded for several years past, on account of the land marks being obliterated, and the corner posts and lots lost, which cannot be found throughout the township, with few exceptions in the front concessions. As the survey of said township has been executed some thirty-five or forty years ago, and we supposed that the boundarys have fallen down and decayed, and that the fire in some places has passed through and destroyed them, so that at the present there are no traces of them to be found. Which the owners of land cannot ascertain where their lyes as is described in the original Grant.

The township at present is very thinly settled and the few Inhabitants are labouring under many disadvantages in consequence of so few settlers to assist in making roads and bridges, and many other advantages too numerous to mention.

Also the owners of land are not able to go to the expense of having a survey from one side of the township to the other individually nearly to find out the situation of one lot of land. It hinders many others who wished to purchase and settle in this township and came on and made serches for lots of land which was sale and went away on account of not knowing where to find the same.

We labour under another disadvantage by not having it in our power to open the allowances for side roads which lead through the township viz: between lots number six and seven; between twelve and thirteen; also between eighteen and nineteen which would be a great convenience for the back settlements) out of the lines not being run or knowing where the corners are at the road allowances are, unless we go to the expense of having the whole township, which would be more than our present circumstances would admit of.

Your humble petitioners pray that your Excellency in Council will be pleased to direct the Surveyor-General to send one of the most skilful Deputys to re-open and post off all the original lots in said township in a similar manner as the lines in the townships of Rainham was re-opened in 1829, by Mr. Smith Deputy-Surveyor, and as near as possible as it can be done as they were posted off in the original survey of the Township as the case may be found by inspection.

Also we further pray that a line may be run on one side of the road allowances between lots number six and seven; between twelve and thirteen, also between eighteen and nineteen, throughout the township.

And your petitioners as in duty bound will ever pray.

Walpole 20th July 1833.

Names of the inhabitants who live in the township of Walpole: Whitfield Rogers, Elisha Parks, Joel Parks, Henry Allen, Oliver Hodgkins, Denis Row, Fredrick Row, Josiah Edsall, Josiah Denis, William McGaw, Samuel Bellis, Wm. Rogers, (?) Rogers, (?), Samuel Swarts, Junior, David McDowell, Connder (?) Bellis, Horatio Grece, Dorman Cooper, Joseph Shaw, Laran (?) Bellis, David Long, Robert Davis.

Names of persons who hold land in the township and dose not live in the same also persons who wishes to settle in the said township of Walpole: Nicholas Bellis, Edward Grece Philemon (?) Bellis, Edward Babcock, David Johnson, Orion Johnson, Chester Smith, S. Smith, John Horne (?), Joel Marrs (?).

Note.—The petition was refused as appears by an endorsement on the back thereof which reads as follows:

"The expense of the survey of the township of Walpole has already been defrayed by the government I humbly conceive it cannot be re-surveyed at the public charge. The re-survey of Rainham was in consequence of an error caused by the Deputy Surveyor who surveyed it, who was an officer employed by the government."

YOU REMEMBER THIS TEAM ?

Whenever information pertaining to athletic pursuits of the days in Jarvis is required for this column, Mr. J. Stacy Burnham is always ready with facts and figures to make the task much easier.

Mr. Burwash has just donated a photograph of the 1021 edition of the Jarvis Baseball team, to the Centennial Committee. A copy of same is re-produced on this page. According to our information this was a great ball team, and ended up at the top of the league which consisted of Caledonia, Cayuga, Dunnville, Fisherville, Hagersville and Jarvis.

The present addresses of the members of the team are as follows: Waddington Mason, teaching in Toronto; Doc Wagner, Inspector of in Kitchener; Bert Ionson, Walpole Township; Cliff Ionson, Simcoe; J. Stacy Burwash, Jarvis; Patsy Brock, deceased; Bruce Horne, Detroit; Harold Burwash, Williamsport, Pennsylvania; Harry Cox, Selkirk; Mel. Church, Simcoe; Freeman Steel, Walpole Township; William Brennan, near Onondago or Middleport.

The umpire was the Reverend Mr. Hare, Presbyterian Minister, who is now living in Port Dover. He was in the picture, but unfortunately, a portion of same did not develop sufficiently to re-produce satisfactorily.

Eliminate Princeton In Two Straight; Meet Bright Friday

Before a capacity crowd Monday night at Dunnville, Garnet defeated Princeton six to three to take the best of three series two games to nothing and now enter the Semi finals against Bright in the O.R.H.A. play offs. The semi finals open at Plattsville on Friday night and the second game at Dunnville on Monday night. In this round the winner will be declared in the best of five games.

The first period on Monday night was scoreless with both teams laying on the hickory and the result was there were six penalties handed out, three to each side. B. Meehan, J. Winger and J. Nixon for Garnet and H. Bailey, G. MacDonald, D. Kipp (minor and misconduct for Princeton).

The second period was only a minute old when B. Nixon scored from M. Walker and at the 5:30 mark M. Walker scored from A. Phillips. At the 9:55 mark H. Thomas scored on a beautiful solo effort to put Garnet in the lead three to nothing. J. Salston scored the only goal for Princeton at the 13:35 mark assisted by A. McDonald and R. Milton. Then A. Phillips tallied for Garnet at the 16:20 mark to make the score 4 to 1 in favour of Garnet at the end of the second period. Penalties went to B. Meehan (making up for lost time) and J. Winger for Garnet and H. Bailey, A. McDonald for Princeton.

In the third period Garnet opened the scoring when J. Nixon scored after taking a pass from A. Phillips at 2:05. R. Milton scored on a long shot at the 9:40 mark. Garnet got this one back at the 16:10 mark when J. Phibbs scored on a break-away and with two minutes left to play, R. Milton scored his second goal of the night for Princeton to make the final score six to three in favour of Garnet.

Outstanding for Garnet was the R. Nixon, M. Walker and Phillips line who scored four of the six goals and Sparky Stallwood who played outstanding hockey in the nets for Garnet.

The Garnet defense looked very bad at times and if the Princeton players had not missed so many good scoring chances, the score could easily have been reversed. The best for Princeton were R. Milton with two goals, S. Salston, E. McDonald and N. Laurie. D. Kipp also played well on defense.

Well folks, seeing it is way past my crawling in time and also such a long trip ahead for to-morrow, I will not add a few choice comments, but will keep them for next weeks news.

GARNET 7 — PRINCETON 4

At the Woodstock Arena Thursday night, Garnet defeated Princeton 7 to 4 to take a one game lead in the best of three series, in the second round of the O.R.H.A. play-offs.

The game was a rugged affair with both teams being slowed up my some stiff body-checking and the play was rugged from a spectators viewpoint, but nevertheless it was good hockey.

In the first period Garnet scored two quick goals by B. Meehan at the 3:46 mark and R. Phillips from J. Phibbs at 4:06. Garnet held this lead until the 16:00 mark when J. Salston popped one in and the period ended with Garnet leading two to one. There were only two penalties, J. Nixon for Garnet and H. Bailey for Princeton.

Some poor defensive work cost Garnet the lead in the earlier part of the second period. At the 6:05 mark R. Milton picked the top corner of the net to tie the game and twenty seconds later J. Salston scored his second goal of the night on a break-away to give Princeton a three to two lead. At the 11:00 mark M. Walker picked up a loose puck in the Princeton zone to beat Myer with the tying goal. Penalties went to L. Winger and M. Laurie.

The third period saw the Garnet team settle down and play hockey, outscoring Princeton four to one. C. Phillips picked up the first goal at 1:40. Princeton came back four minutes later to tie the game at four all. C. McDonald scoring. H. Thomas put Garnet in the lead at the 6:03 mark, taking a pass from A. Phillips. Then J. Phibbs scored two quick goals to settle the issue. On both these goals Jack stick-handled through the entire Princeton team to beat Myers to make the final score seven to four.

Outstanding for Garnet J. Phibbs with some nice stick-handling. A. Phillips, H. Thomas, M. Walker, E. Phillips looked good on defence particularly in the third period. Sparky Stallwood played well in the nets. For Princeton M. Laurie, Salston, R. Milton were best.

Ladies Entertained By Jarvis Lions At Dinner Meeting

The program arranged by Lion Elvin Pond for the "Ladies Night" at the Jarvis Lions Club meeting on Monday evening, was a very happy occasion. The usual business was dispensed with and gaiety and laughter dominated the proceedings.

Lion Chief George Walker presided for the program following the dinner at the American Hotel which lived up to the high standard that has made the Hotel well known for miles around. The tables were daintily arranged and there were favors for the ladies.

Lion Dave Banks proposed the toast to the Ladies and the response was made by Mrs. Glen Relchold. Lion Elvin Pond introduced Mrs. Harold I. Pond, of Simcoe as the guest speaker and thanks was extended to her by Mrs. John Brown.

Mrs. Pond's address was the highlight of the evening. Combining humour with her remarks, she left a message that gave the Lions a boost. She praised the work of the Lions and pointed out that the wives of the members had a responsibility in helping them in the work. "You know", she said, "there is a great difference between being a 'good Lion's wife' and a 'good wife for a Lion', because it is quite possible that our husbands will make good Lions without our help, but it's ten to one they'll be better members with it." She told the lady guests present to remember that their husbands joined the Club because they felt the need to do something worthwhile in the community. He is trying to build a better community, said Mrs. Pond, not for himself but for those younger ones who are coming along after him trying to build for them a better and brighter future than the one he faced when he was a teen-ager.

Harold I. Pond, District Deputy Governor of Zone 5, was also present and spoke briefly. He was presented with a small gift from the Club by Lion Laird Miller.

After leaving the hotel the party assembled at the Town Hall where pictures were shown by Lion Harold Pond. A choral group, made up of Lions Lorne Porter, Wray Hagerman, Lloyd Holmes, Edward Montague, Robt. Lysch, William Addison and Edward Stire, rendered several enjoyable selections. Hose was then played until the midnight hour, with Mrs. Elson Heid, and Mrs. Elvin Pond held the high score for the Ladies.

MARKS EIGHTIETH BIRTHDAY

Mrs. Mary E. Butcher of Jarvis celebrated her Eightieth Birthday last Saturday, March 11th.

While not as active as she used to be Mrs. Butcher has lived a busy life in this community. She has been a member of Knox Presbyterian Church for Sixty years and always active in the various church organizations. She has been a member of the Ladies Aid for fifty years and is a life member of the Women's Missionary Society.

As a member of the Varency Women's Institute she knit 117 pairs of socks besides other articles during the First Great War. She beat this record substantially during World War II when she completed 230 pairs of socks for the Jarvis Women's Institute.

Mrs. Butcher has two sons, Henry Butcher, of Simcoe and Bruce Butcher of Kingston.

MR. AND MRS. SIMPSON EIGHTY YEARS OLD

A Birthday party was held on Tuesday night, March 7th for Mr. and Mrs. Wm. Simpson, who have reached their Eightieth year. The party was arranged by Mr. and Mrs John Walker and Mr. and Mrs. Rees. Neighbours who were present presented the guests of honour with a lovely bouquet of flowers and Mr. Newbery offered the congratulations of all their friends to these old and honoured residents of Jarvis.

WEDDING

GEE—ATKINSON

A quiet wedding was solemnized on Saturday, March 11th, in the Presbyterian Church, Caledonia. Rev. A. N. McMillan united in marriage Ivey Jean, daughter of Mr. and Mrs. Clarence Atkinson, of Caledonia, and Sanford Earnest Gee, son of Mr. and Mrs. Earnest Gee of Renton.

The bride wore a street-length dress of mink brown with navy accessories with corsage of pink and yellow carnations. Miss Dorothy Atkinson, of Toronto, sister of the bride, was bridesmaid, wearing a cocoa brown dress with cocoa and beige accessories and corsage of red roses. Mr. Russel Fraser, of Toronto, acted as best man.

A reception was held at the home of the bride for the immediate families. Following a short honeymoon the bridal couple will make their home in Brantford.

Co-operative Farming Merits Discussed By Forum Groups

Members of Sandusk and Erie View Forums met Monday evening in the Sandusk school house to discuss the pros and cons of Co-Operative Farming. The highlight of the broadcast was the vivid outlines of a most successful Co-Operative farm at Matador in Sask. This was started in 1946 by a group of war veterans. These men and their families live in a small village group (13 houses). They have an income of $100. per month per family and social conveniences such as running water and electricity in their homes. Saskatchewan leads the way with nearly a score of Co-Operative farms in operation.

A project in York County where a group of farmers own and operate farm machinery on a co-operative basis was described. It appears to be working out well.

The members were far from unanimous in the merits of our present family farms. Many are far from efficient in operation and these families are facing lower prices for their products which means their low standard of living will be further depressed.

Co-operative farming in Ontario presents many problems as well as advantages. Some of our private farms in the east have tilling and harvesting equipment investment of $70.00 per acre. The Matador farm was less than $4.00 per acre. The occupants of the family farm often pay a heavy price for their "ragged individualism !")

Group games were played after conclusion of the discussion. A bounteous lunch was enjoyed by the
