URGENT APPEAL IS MADE FOR WHOLE-HEARTED PUBLIC AND PERSONAL CO-OPERATION TO CUT TRAFFIC LOSSES IN 1950

In deaths and injuries on Ontario streets and highways, 1949 proved to be the worst year in the history of the Province.

HERE IS THE 1949 RECORD

Motor vehicles registered in Ontario 969,348... Tourist vehicles recorded 4,500,000... Persons killed 430... Persons injured 17,469... Property damage \$9,521,659

THE PICTURE IN 1950

In 1950 there will be in operation on Ontario highways one million motor vehicles owned by Ontario residents.

Unless the Ontario public takes this problem of highway safety seriously to heart and everyone sets out to cut down this mounting scale of accidents...

The Department of Highways is devoting all its energies to a continuous planned attack on accidents.

GEO. H. DOUCETT Minister of Highways
